Exploring Revelation:

Exploring Revelation John Phillips,2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **Exploring Revelation** Bill Shade,2019-07-24 Revelation the final book in the English Bible speaks to the days in which we live as no other book can It lays before the reader those imminent events which must surely take place leading to the ultimate triumph of God and the full establishment of Christ s Millennial Kingdom on earth But the victory is not without the most violent turbulent destructive and deadly universal conflict the world has ever known and it is that conflict that the book of Revelation describes in vivid detail No modern fiction or IMAX production can equal what is described to us here Yet at the same time we see God s infinite grace and love extended and His redemption to every believing soul and the horrors of the conflict are more than compensated for by the glories of all God has prepared for those who love Him The book of Revelation is not hard to understand it is hard to believe because what we see and read goes beyond anything we have ever experienced But if we will believe it it offers the greatest glimpse into the future we can find anywhere and great guidance and hope for God s believing children **Exploring Revelation** Terry Roberts,2025-06-23 In Exploring Revelation Dr Terry Roberts takes his reader on a journey of exploration through the prophetic masterpiece penned by the Apostle John The only book of the Bible with a stated blessing on those who read it and heed it Revelation reaches from the first century AD into the present and beyond with uncanny predictions of future events But Revelation is more than future prediction It paints a striking portrait of Jesus as the Lord of History triumphing over the dark forces of the present evil age It also depicts Jesus standing amid the golden lampstands His Church with words of encouragement and challenge for the present day believer Thus Revelation not only informs us about the future but more importantly it strengthens our faith and enhances our effectiveness for God in the here and now Exploring Revelation is a devotional commentary to be read alongside the book of Revelation **You Can Understand the Book of Revelation** Skip Heitzig,2020-04-14 Do You Want to Know What the Future Holds The final book of the Bible is both fascinating and controversial It leaves some awed and others uncomfortable So many find its mysteries hard to fathom what does it all mean If you would like to know more than just bits and pieces of God s plans for the future Pastor Skip Heitzig is your guide to gaining a fuller understanding of the book of Revelation You will explore everything from the rapture to Christ s eternal kingdom and gain a deeper appreciation for the majesty and power of God examine all the key events that will take place in the last days discover how God s plans for the future apply to you right now learn how to be ready for Christ s return As you study Bible prophecy and learn how God s plans will unfold you ll find yourself living in greater anticipation of all that is to come **Exploring Revelation** Ashley Day,2005-10-06 As significant current events unfold all around us and voices are heard everywhere saying look here and look there it is important that we keep our feet firmly grounded on the Word of God Outside God s Word there is no stability and it is easy to be alarmed or sidetracked by

spectacular forecasts that have very little substance to them Our primary task as Christians is to know what God s Word says about the last days and to refuse any information that may be hearsay and which cannot be reconciled with the Scriptures Anyone could write a book about last things and many do but it s wise to take much of what is written with a pinch of salt However when as in the case of Revelation the author is God Himself it is necessary that the facts be well affirmed And in the opening verses John takes pains to impress upon his readers the accuracy and reliability of what he is about to write The information did not originate with him It came from God the Father to God the Son and was then communicated to John by an angel Although our English Bibles record the title of this book as The Revelation of John it is not about John nor his revelation It is about Jesus Christ in His role as ruler conqueror and controller of all things spiritual and temporal When Jesus said to His disciples All power is given unto me in Heaven and on earth that is precisely what He meant namely ALL power total control over all things My prayer is that this commentary will help to clarify the immense scope of this book of Revelation to the minds of those who read it All Things New Gene L. Green, Stephen T. Pardue, K. K. Yeo, 2019-09-30 The Christian faith presents a distinctive vision of last things that God in Christ aims to reconcile the world to himself and through his Spirit and a new people to set all things to right This good news is for all nations and peoples but for too long the Christian doctrine of eschatology has focused on debates and arguments rooted solely in the Western church In All Things New leading theologians and biblical scholars from Africa Asia Latin America and North America offer readers a glimpse of how Christians around the globe are perceiving and describing the Christian hope The result is a remarkably refreshing and distinctive vision of eschatology guaranteed to raise new questions and add new insights to the global church s vision of the eschaton
