Exploring Churches Patricia Joan Hunt, 1998-01-01 **Exploring the Seven Churches of Revelation** Susan Howell, 2015-12-02 Discovering what life was like for people in the first century churches became a passion for Susan Howell Her research is focused on the first century lives what were the behind the scenes things we don't know from casually reading the Bible Focused on lessons from these churches we ask how they apply to modern times What can we do to avoid the trials and challenges of those in the first century She questioned why the letters were written to those locations which are in modern day Turkey and not in Israel As a man Jesus never visited these churches in fact He never left Israel Yet these churches open the book of Revelation the final book in the Bible given to John in a vision on the island of Patmos near the end of the first century We know that Jesus was a great communicator As He spoke to those who fish He used fishing terms and to those who bake baking terms Susan wanted to know what Jesus was saying to the first century churches What was happening in those towns those churches What did Jesus say to them in language and phrases they would understand Susan has visited the excavated ruins of each of the seven churches in Turkey and studied each letter to the individual churches She separated the letter verse by verse to learn what Jesus was saying Her hope is that you the reader will discover what He is saying to them and in turn to us This will allow the reader the opportunity to spend quality time with Jesus [A Multi-Site Church Roadtrip](#) Geoff Surratt, Greg Ligon, Warren Bird, 2009-09-22 What is the rapidly expanding multi site church movement all about Experience the revolution for yourself and see why it has become the new normal for growing churches A Multi Site Church Roadtrip takes pastors church leaders and anyone who is interested on a tour of multi site churches across America to see how those churches are handling the opportunities and challenges raised by this dynamic organizational model Travel with tour guides Geoff Surratt Greg Ligon and Warren Bird authors of The Multi Site Church Revolution and enjoy engaging and humorous on site narratives that show you the creative ways churches of all kinds are expanding their impact through multiple locations Hear the inside stories and learn about the latest developments Find out firsthand how the churches in this book are broadening their options for evangelism service and outreach while making better use of their ministry funds Since each church on this tour is unique you won't find a cookie cutter approach to ministry Instead you'll gain some practical tools you can use to explore a multi site direction at your own church **The Church Explorer's Handbook** Clive Fewins, 2005 A fully illustrated pocket guide to UK churches and their contents **Faith and Ruin** Adriana Perez, 2025-07-31 Faith and Ruin Exploring the Abandoned Churches of Texas invites readers on a haunting journey through the forgotten sanctuaries of the Lone Star State Written by Adriana Perez this captivating work connects historical research with personal exploration revealing the stories behind the abandoned churches in Texas that once served as community cornerstones From the majestic Mount Vernon African Methodist Episcopal Church to the historic St Joseph Church in Rockdale each site exhibits Texas's diverse religious heritage and the strong connections formed by those who
