## **Grandpas Song:**

My Grandfather's Song Phùng Nguyên Quang, Huynh Kim Liên, 2023-10-17 A stunning picture book about a family's connection to their land, their home, and each other from the creators of *My First Day Long Ago*. Grandfather came to a new land, fish swam in the water, birds chirped in the sky, monkeys played in the trees. And in this wilderness with his own two hands, Grandfather built a house. It wasn't easy, but the land gave him what he needed, and it became his home. Decades later, his grandson will have all he needs: a head full of memories, two capable hands, and the heart to appreciate family, nature, and home. This picture book creates a warm symphony of conservation and the sacred bond between grandparent and child, perfect for baby showers, birthdays, and family celebrations.

**Grandpa's Song** Tony Johnston, Brad Sneed, 1991-01-01 When a young girl's beloved exuberant grandfather becomes forgetful, she helps him by singing their favorite song.

Don't Feed the Lion Bianna Golodryga, Ms. Yonit Levi, 2025-10-28 With unexpected twists and compelling characters, *Don't Feed the Lion* explores how young people grapple with antisemitism, prejudice, allyship, and the courage to speak up. A story of grounded optimism and of proud resilience in the face of hatred through family courage and personal agency. Isaac Herzog, President of Israel. This book is so needed right now. Gal Gadot, actress and antisemitism activist. This book gives kids the tools to recognize and stand up to hate. Jake Tapper, CNN Anchor and New York Times Best Selling Author. Annie and Theo Kaplan have a family ritual every Friday night; they celebrate Shabbat with their energetic immigrant grandparents. But this Shabbat, which happens to fall on Annie's eleventh birthday, isn't like the others. Thirteen-year-old Theo's soccer hero, Wes Mitchell, has posted an antisemitic message that quickly goes viral, leaving his parents disgusted, his sister enraged, and Theo himself clobbered by a torrent of confusion, anger, sadness, and a deep desire to just ignore it. Antisemitism quickly affects the entire Kaplan family in various ways. Theo's teammates think Mitchell's comments were no big deal, and Theo notices an uptick in anti-Jewish commentary around school. A rare act of rebellion draws Annie into the fray, and a new classmate shows that ignoring pain is no way to get through it. *Don't Feed the Lion* asks readers of all backgrounds: What will you do when it's your turn to choose?

My Mr. CEO, Don't Try to Escape Mo Ling Sheng, 2020-07-03 The child of a commoner family in Su Liuxia. After graduating from university, she didn't study in her own department but instead went to her favorite performing arts field. Because he grew up in the countryside, his family wanted him to be a teacher or doctor, but he didn't like it. In the end, he studied economics and management. Li Youjin, a CEO of a listed company, was cold, quiet, and dark. After he left the country to study abroad, he set up the current JY group with his friends. At the age of 25, he did not have a single woman by his side. The people outside also said that he liked men, and the family was afraid of that, so they arranged a blind date for him. Since he did not want to accept the arrangements, he could only flee. It's fine, I'll raise you in the future. At worst, you just have to take on more tricks. Su Liuxia patted her chest. Good. Liao Jin smiled as he looked at her righteous demeanor. Is there still time for me to go back on my word? Su Liuxia, who had already arrived at the Li residence, looked at Li Youjin and spoke again. **China in the Mix** Ying Xiao, 2017-08-09. Scarce attention has been paid to the dimension of sound and its essential role in constructing image, culture, and identity in Chinese film and media. *China in the Mix* fills a critical void with the first book on the sound languages, scenery, media, and culture in post-Socialist China. In this study, Ying Xiao explores fascinating topics including appropriations of popular folklore in the Chinese new wave of the 1980s, Chinese rock n' roll, and youth cinema in fin de siècle China; the political, economic impact of free market imperatives and Hollywood pictures on the Chinese film industry and filmmaking in the late twentieth century; the reception and adaptation of hip hop and the emerging role of Internet popular culture and social media in the early twenty-first century. Xiao examines the articulations and representations of mass culture and everyday life, concentrating on their aural/oral manifestations in contemporary Chinese cinema and in a wide spectrum of media and cultural productions. *China in the Mix* offers the first comprehensive investigation of Chinese film expressions and culture from a unique, cohesive acoustic angle and through the prism of global media cultural exchange. It shows how the complex, evolving uses of sound—popular music, voice over, silence, noise, and audio mixing in film and media—reflect and engage the important cultural and socio-historical shifts in contemporary China and in the increasingly networked world. Xiao offers an innovative new conception of Chinese film and media and their audiovisual registers in the historiographical frame of China amid the global landscape.
