## Gray Ghosts:

**Our Gray Ghosts** Jariel Duay O'Neil, 1995      Gray Ghosts Joseph Sackett, 1999-12 Gray Ghosts takes place at a remote air base near Tucson Arizona Although the base supports active flying units it is also the resting place of hundreds of aging surplus airplanes that served in prior wars The planes are too old to fly yet too valuable to destroy Sitting on the desert floor the warplanes rest in a cemetery called the Boneyards Pilots occasionally drive by to pay their respects This evening the base is also the site of a Marine reunion Will Martin the story's main character mysteriously appears on the morning of the reunion Years ago Will flew A 6 Intruders Tonight he will fly them again Through past remembrances Gray Ghosts follows Will through exciting combat action in Vietnam the Gulf of Sidra and Iraq Between conflicts Will and his fellow Marines travel the world to engage in one outrageously funny escapade after another But most importantly Gray Ghosts is a story of love and friendship After being away for many years Will meets his old partner again With his friend's help Will gets one chance to reaffirm his relationship with the woman he loves The twist is in how their reunion transpires      *Jesse James Was His Name* William A. Settle, 1977-01-01 Jesse James said Carl Sandburg is the only American bandit who is classical who is to this country what Robin Hood or Dick Turpin is to England whose exploits are so close to the mythical and apocryphal For this definitive study no significant source of information concerning Jesse James and his brother Frank has been neglected and from it emerges resolution of the debated point Were the Jameses common criminals or gallant Robin Hoods      *United States Army Counterinsurgency and Contingency Operations Doctrine, 1860-1941* Andrew J. Birtle, 1998-04 NOTE NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT OVERSTOCK SALE Significantly reduced list price U S Army Counterinsurgency and Contingency Operations Doctrine 1860 1941 is the first of a two volume study on the U S Army's experience in small war situations and the development of low intensity conflict doctrine Focusing on the suppression of insurgent or other irregular forces during overseas constabulary and contingency operations from the Civil War years up to America's entry into World War II Andrew J Birtle has filled an important omission in military historiography by writing about the underlying theories concepts and methods employed in the conduct of myriad unconventional missions with soldiers serving as governors constables judges diplomats explorers colonizers educators administrators and engineers Even though official codified written doctrine for counterinsurgency pacification and nation building activities prior to World War II has long been viewed as nonexistent Birtle uncovers through his meticulous research an evidentiary thread of continuity in the Army's performance and thus maintains that some of the central principles governing such operations were indeed incorporated into official Army doctrinal literature The events discussed unquestionably occurred long ago but many of the issues raised by Birtle have enduring relevance for today's Army People places and events may change yet the fundamental questions involved in suppressing insurrections fighting irregulars administering civilian populations and conducting foreign intervention remain surprisingly constant in this unpredictable world of ethnic tensions and turmoil By studying how soldiers

dealt with these complex issues in the past Birtle's well written account offers valuable insights to guide current and future soldiers when called upon to conduct similar operations Military strategists historians and civilians interested in America's early history may find this resource appealing and offer a better understanding of Army doctrine from a historical perspective Related products Mexican Expedition 1916 1917 is available here [https://bookstore.gpo.gov/products/sku/008\\_029\\_00600\\_6](https://bookstore.gpo.gov/products/sku/008_029_00600_6) Commerce Raiding is available here [https://bookstore.gpo.gov/products/sku/008\\_046\\_00282\\_7](https://bookstore.gpo.gov/products/sku/008_046_00282_7) From Transformation to Combat The First Stryker Brigade at War can be purchased here [https://bookstore.gpo.gov/products/sku/008\\_029\\_00459\\_3](https://bookstore.gpo.gov/products/sku/008_029_00459_3) United States Army in World War II War in the Pacific Triumph in the Philippines Print Paperback format is available here [https://bookstore.gpo.gov/products/sku/008\\_029\\_00503\\_4](https://bookstore.gpo.gov/products/sku/008_029_00503_4) Other products produced by the U S Army Center of Military History can be found here <https://bookstore.gpo.gov/agency/1061>
