

Greek Poets

John Addington Symonds

Greek Poets:

The Lives of the Greek Poets Mary R. Lefkowitz, 2012-04-02 Renowned scholar Mary R Lefkowitz has extensively revised and rewritten her 1981 classic to introduce a new generation of students to the lives of the Greek poets Thoroughly updated with references to the most recent scholarship this second edition includes new material and fresh analysis of the ancient biographies of Greece s most famous poets With little or no independent historical information to draw on ancient writers searched for biographical data in the poets own works and in comic poetry about them Lefkowitz describes how biographical mythology was created and she offers a sympathetic account of how individual biographers reconstructed the poets lives She argues that the life stories of Greek poets even though primarily fictional still merit close consideration as they provide modern readers with insight into ancient notions about the creative process and the purpose of poetic composition Accessible to students and readers unfamiliar with ancient Greece as well as to scholars this comprehensive and compelling study includes translations of the original biographies of seven of ancient Greece s most storied poets

The Lives of the Greek Poets Mary R. A Companion to the Greek Lyric Poets Douglas E. Gerber, 1997 This handbook is a guide to the reading of elegiac iambic personal and public poetry of early Greece Intended as a teaching manual or as an aid for advanced undergraduate and graduate students it presents the major scholarly debates affecting the reading of these poetic texts such as the effect of genre the question of the poetic persona or the impact of modern literary theory

The First Poets Michael Schmidt, 2016-08-11 A dazzling literary exploration by acclaimed poet and critic Michael Schmidt *The First Poets* brings to life the great Greek poets who gave our poetic tradition its first bearings and whose works have had an enduring influence on our literature and our imagination Starting with the legendary Orpheus and the possibly mythical Homer Schmidt conjures a host of our literary forebears From Hipponax the dirty old man of poetry to Theocritus the father of pastoral from Sappho who threw herself from a cliff for love to Hesiod who claimed a visit from the Muses the stories in *The First Poets* masterfully merge fact and conjecture into animated and compelling portraits of our cultural ancestors Every poet should buy a copy of this book to keep on their bookshelves And when the occasion arises they should throw it at the cynic who may try to ignore or demean them

Independent

The Greek Poets Peter Constantine, 2010 An extensive volume of Greek poetry includes more than one thousand entries spanning three millennia and many diverse traditions in an anthology that includes works by such classic and modern writers as Sappho Pindar and Seferis

Studies of the Greek Poets John Addington Symonds, 1876

Studies of the Greek Poets John Addington Symonds, 1882

Early Greek Poets' Lives Maarit Kivilo, 2010-09-24 This book examines the formation and development of the biographical traditions about early Greek poets focusing on the traditions of Hesiod Stesichorus Archilochus Hipponax Terpander and

Sappho The study provides a detailed overview of the traditions and chronographical material about these poets and seeks to clarify who were the creators of the particular traditions what were the sources when the traditions were formed and to what extent they are shaped by formulaic themes and story patterns It challenges several mainstream assumptions on the subject for example that the traditions were formed mainly in the Post Classical period that the only significant source for the legends is the works of the particular poet and that the poets were perceived as new heroes *Six Modern Greek Poets* John Stathatos,1975 *Studies of the Greek Poets (Vol I of 2)* John Addington Symonds,2020-08-14 Reproduction of the original *Studies of the Greek Poets Vol I of 2* by John Addington Symonds **Studies of the Greek Poets** John Addington Symonds,2022-05-17 John Addington Symonds *Studies of the Greek Poets* is a seminal exploration into the rich tapestry of Greek poetry rendered in two volumes of insightful literary examination The work serves as an intricate survey covering an extensive range of topics from the overarching periods of Greek literature and the profundity of mythology to detailed criticisms of individual works and the distinctive voices of poets such as Hesiod Pindar and Aeschylus Symonds with a deeply erudite yet accessible style effectively maps the evolution of Greek literary artistry connecting the ancient world to the modern with his comparative analysis of ancient and modern tragedy ensuring relevance in both literary and historical contexts In the realm of literary scholarship Symonds is distinguished not only for his poetic contributions but also for his pronounced impact as a critic and historian of culture *Studies of the Greek Poets* emerges from his lifelong fascination with the Hellenic world his mastery of canonical texts and his own existential inquiry into the aesthetics of art and the human condition His intellectual journey and Victorian perspective inform this comprehensive work rendering it an extension of his broader project to bridge cultural and temporal divides through the enduring lens of Greek literature Intended for both the seasoned scholar of classical studies and the enthusiastic lay reader *Studies of the Greek Poets* remains a cornerstone of literary criticism Symonds work invites readers to immerse themselves in the profound emotional landscape and the intellectual rigor of Greek poetry illuminating the intrinsic beauty and timeless relevance of these ancient texts His analysis transcends mere academic interest offering a soulful deeply humanistic understanding of Greek creativity and its lasting legacy in the cultural fabric of the West *The Greek Poets* Moses Hadas,1953 A collection of Greek poetry from the earliest times to the 5th century A D *Greek Melic Poets* Herbert Weir Smyth,1900 *Ancient Greek Myth in Modern Greek Poetry* Peter Mackridge,2023-03-31 Originally published in 1996 this volume contains essays by scholars critics and translators and includes themes such as the myth in the Cretan Renaissance and the use of ancient myth by 19th and 20th Century poets Some essays deal with individual mythical figures such as Odysseus Orpheus Prometheus and Aphrodite while others deal with the problematic issue of the use of myth by Greek women poets The discussion is completed by comparing attitudes to the ancient Greeks as embodied in English and modern Greek poetry *Ancient Greek poetry and Literature. The Collected Works of Homer, Hesiod, and Sappho (Illustrated): The Illiad, The Odyssey, Works and Days, Theogony, Lyric*

Poetry Homer, Hesiod, Sappho, 2021-02-01 The longevity of Greek ideas, images, and systems of thought bears witness to the incomparable originality of ancient Greek scientific and artistic achievements and the genius of Hellenic society. It is on the foundation of Hellenic achievements that many of our modern advancements have developed. Greek culture also significantly impacted the development of literature and education, beginning with the Romans and expanding to Europe and the West. While the best-known literary masterpiece of the Archaic Greek period is the so-called Homeric epics, *The Iliad* and *The Odyssey*, other influential pieces were written by Hesiod and Sappho. Hesiod's two known works were religious and instructive: *Works and Days* and *Theogony*. The ancient Greeks revered Homer and Hesiod and often cited their names together in theological and philosophical works. While the two could have been contemporaries, some estimate that Hesiod lived up to 100 years after Homer. Sappho was an ancient Greek poetess and musician. She pioneered song lyrics, and the ancient Greeks included her in the canon of nine lyric poets. Plato even numbered her among the Parnassian goddesses, referring to her as the tenth muse.

Homer, *The Iliad*, Translated by Alexander Pope
Homer, *The Odyssey*, Translated by William Cowper
Hesiod, *Works and Days* and *Theogony*, Translated by Hugh G. Evelyn-White
Sappho, *The Complete Poems*, Translated by John Myers O'Hara

Selections from the Greek Lyric Poets, Henry Mather Tyler, 1906
