Finding Your Soul Mate:

Find Your Soulmate Now Jeanne Severe, 2025-02-28 Seeking for a soul mate is a major task and a universal necessity for a man or a woman to look into. When the time comes in their life or they reach a certain age they start looking for a personal person they can trust, a person who is honest, caring, educated, kind, loving, a person who is trustworthy and of course who has a job and some money in the bank. What is a soulmate? The Oxford dictionary defines a soulmate as a person ideally suited to another as a close friend or romantic partner. Wikipedia defines a soulmate as a person with whom one has a feeling of deep or natural affinity. This may involve similarity, love, romance, platonic relationships, comfort, intimacy, sexual activities, spirituality, compatibility, and trust. Here we are talking about generosity. The first quality to seek in a soulmate is generosity. Your soul mate should be generous toward you. He should offer unconditional help in time of need. Your true spiritual soulmate is the person who is intended to help you complete yourself. Believe it or not, there is somebody out there for you. That person will fall in love with you regarding your flaws. Falling in love with your soulmate, what that entails. There is a type of love that knits together as one, the very souls of two people see Malachi 2:15 NIV. Has not the one God made you? You belong to him in body and spirit. And what does the one God seek? Godly offspring. So be on your guard and do not be unfaithful to the wife of your youth. When you find your true soulmate, both of you become mentally inseparable. Together you are ready to conquer the world. King Solomon was the wisest man in the Bible. His wife described about finding her the mate for her soul. Read Song of Solomon's Chapter 3:1-4. Was but a little that I passed from them, but I found him whom my soul loveth. I held him and would not let him go until I had brought him into my mother's house and into the chamber of her that conceived me.

How to Find Your Soul Mate Lisa Oliver, 2006-01-01 *Finding Your Soul Mate with ThetaHealing* Vianna Stibal, 2016-10-11 Many of us are born into this world with the feeling and knowing of what being loved by another person should feel and be like, but we lack the feeling and knowing of how to fulfill this desire in the highest and best way. The desire for a soul mate is the ancient need to become the divine couple whose union breathes new life into the world. Seen from this context, finding your soul mate has deeper ramifications than a purely romantic desire. The union of a soul mate is about the creation of an energy that is a candle to bring illumination to the world. The content of this book is designed for spiritually romantic people who have not lost the faith that there is someone out there that has a divine understanding of us and that two people are brought together for a divine plan that will contribute towards a higher purpose. Based on Vianna Stibal's own experience of finding her soul mate, this book will reaffirm your belief in true love and will explain how using ThetaHealing you can bring your soul mate.
