Enchantment

Flash

This enchantment enters with X fire counters on it.

If a source you control would deal damage to an opponent or a permanent an opponent controls, it deals that much damage plus an amount of damage equal to the number of fire counters on this enchantment instead.

Encyclopaedia Of Manipur (3 Vol.) Khomdan Singh Lisam,2011 *The Amory Wars: In Keeping Secrets Of Silent Earth: 3 Vol. 2* Claudio Sanchez,Peter David,2011-04-12 Huge hit THE AMORY WARS comes to BOOM A perfect companion to last year s release of THE AMORY WARS creator Claudio Sanchez s band Coheed and Cambria s hot new album release YEAR OF THE BLACK RAINBOW Heard about the ground breaking THE AMORY WARS comic series but never had a chance to get into it This series is a great entry point for new readers Peter David joins this science fiction franchise so don t miss out Created by Claudio Sanchez lead singer of Coheed and Cambria *Official History of the Sudan Campaign* Henry Edward Colville,2005 The official history of the controversial Sudan campaign of 1884 one of Victorian Britain s less happy colonial military exploits The author Colonel Colville himself took part in the campaign and his work was vetted by the War Office and his brother officers before publication The first volume in this facsimile three volume publication deals with the events leading up to the campaign itself The legendary General Charles Gordon with inadequate back up and delusions of his own abilities found himself besieged in the Sudan s capital Khartoum by the fanatical followers of the Mahdi a Muslim religious leader who had proclaimed himself a prophet foretold by Mohammed destined to unite the whole world in one Islamic state Very late in the day a reluctant William Gladstone Liberal prime minister was prodded by public opinion into mounting an expedition under Lord Garnet Wolseley to go to Gordon s rescue Volume 1 closes with the forces of the Mahdi spreading across the Sudan and threatening Gordon in Khartoum while Wolseley moves slowly south down the Nile Volume 2 opens with the Anglo Egyptian relieving force held up on its journey south by its steamers repeatedly running aground When it finally reached Khartoum it was only to learn that the city has fallen and Gordon had been killed The retreat from Khartoum was as fraught with danger as the advance had been with both the Camel Corps and the River Column marching on subsidiary punitive expeditions and led until his death by General Earle and then by Colonel Brackenbury fighting desperate actions against the Dervish followers of the Mahdi Volume 2 ends with the decision to evacuate the Sudan and the death of the Mahdi vengeance for Gordon s death would have to await the advent of Kitchener at Omdurman thirteen years later The third volume in this publication contains ten campaign maps The two first volumes are also profusely illustrated with diagrams battle plans and engravings Taken together these volumes present an authoritative and indispensable picture of one of Britain s most famous wars of Empire **The Turkish-American Relationship Between 1947 and 2003** Nasuh Uslu,2003 Turkish American Relationship Between 1947 2003 The History of a Distinctive Alliance **Jutland** William Schleihauf,2016-12-31 The legendary hidden report on the Royal Navy s failures at the WWI Battle of Jutland is revealed for the first time in this transcribed edition Jutland the largest naval battle of the First World War was the most controversial engagement in the Royal Navy s history Falling well short of the total victory expected by the public it sparked fierce debate among senior naval officers many of whom had been directly involved in the battle The first attempt to produce an objective

record was delayed and heavily censored That report was followed by a no holds barred critique of the fleet s performance intended for training purposes at the Naval Staff College This became the now infamous Naval Staff Appreciation which was deemed too damaging to be published All proof copies were ordered destroyed Despite the orders however a few copies survived Now this long suppressed work is finally revealed in this edition featuring expert modern commentary and explanatory notes *Scientific and Technical Aerospace Reports* ,1985-10 **Oman Since 1856** Robert Geran Landen,2015-12-08 Oman a state in southeastern Arabia is a prime example of a country that has not benefited greatly from modernization but instead has fallen into economic and political insignificance as a result of economic and technological innovations introduced by the West Prior to the nineteenth century Mr Landen finds that native Omanis had developed a thriving maritime industry which was responsible for the country s economic health With the advent of colonialism from the West Oman s fortunes declined The changes that took place the influence of British leaders who directed the political activities in Oman and the internal politics of Oman are all considered The last chapter contains speculations on the effect of the discovery of oil on the future of Oman Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Engineers of the Southwest Pacific, 1941-1945 United States. Army. Forces, Pacific,1959 **The War Game** Garry D. Brewer,Martin Shubik,1979 This book is a fascinating examination of a subject that has enormous consequences but few initiates the system of military combat simulations and their advocates in defense establishments The scope and importance of this field may be hinted at each spring during budget debates but until now no one has made a full public inquiry into the military studies the analysis system and the people behind these obscure enterprises How did war games come into vogue Who designs the models that test and measure weapons capabilities tests whose outcomes their supporters want to use to determine the allocation of millions of dollars not to mention the deployment of U S armaments around the globe How are the potential uses of weapons studied when empirical testing is prohibitive or impossible And what is the state of the war gaming art and profession These are but a few of the crucial questions addressed and answered in this work The authors interviewed and observed war gaming professionals in depth exploring the extent and status of gaming in the defense community and examining these in terms of purpose means of production operations uses benefits and costs Consequently their book is not simply an analysis but a portrait of the profession As such it will serve not only as a blueprint for necessary improvements in the military area but also as the catalyst for future work in diverse areas since the problems of largescale models examined in a war game context are now being experienced in such newer fields as energy policy and urban planning Journal United
