Enforcement Or Negotiation:

Enforcement or Negotiation Neal Shover, Donald A. Clelland, John Lynxwiler, 1986-01-01 Enforcement or Negotiation presents a study of the development and operations of the federal Office of Surface Mining Reclamation and Enforcement during its first four years 1978-82 with special emphasis on the issue of regulatory enforcement It examines the causes and consequences of the agency's change from an enforced compliance style of regulation toward a more discretionary negotiated compliance The analysis is grounded in a variety of methods including personal interviews examination of archival data and structured questionnaires A comparative analysis of how the legislation was implemented differently in two regions of the United States demonstrates the crucial importance of local conditions on the implementation of regulatory mandates The OSM's efforts to balance demands for equity and efficiency are documented as well as the differences in oppositional strategies employed by large and small mining companies

Cross-Cultural Crisis Negotiations Terry D. Royce, Wendy L. Bowcher, Jing Zhao, 2025-03-25 A comprehensive presentation of cross cultural crisis negotiation principles and strategies this book relates established communication models to the practical knowledge and experience of crisis negotiators across international organisations and contexts Early chapters discuss prominent

communication theories and discourse analysis models used to analyse interaction in crisis negotiation case studies A central theme is the practice of active listening highlighting the crucial role of active listening in building rapport Rapport is a communicational concept deemed essential to successful negotiations but is seldom defined This book expands upon this concept in depth providing relevant communication theories that can be applied to understanding the interactional processes in successful crisis negotiations By presenting perspectives on crisis negotiation by scholars and practitioners engaged in vastly differing contexts it is a robust guide to developing constructive crisis negotiation strategies in cross cultural and cross linguistic situations An essential read for students and practitioners in crisis negotiation who find themselves working in increasingly cross linguistic and cross cultural scenarios

A Model Civil Procedure Code for England and Wales John Sorabji, 2024-10-14 Civil procedure law is integral to our understanding of access routes to justice dispute resolution and ultimately the rule of law However the field is rapidly changing shifting dispute resolution away from courts and judgments towards other legal pathways such as negotiation mediation arbitration and Ombudsman Similarly the increasing digitisation of society and looming potential of AI will profoundly influence future reforms Civil justice is thus at a critical turning point In response John Sorabji proposes a new model civil procedure code for England and Wales Building on the work of the ALI UNIDROIT Principles of Transnational Civil Procedure and the ELI UNIDROIT Model European Rules of Civil Procedure he articulates a simplified principle based seventeen part approach that covers all major stages from issue to enforcement with sections on costs and funding provisional measures access to evidence and privileges case statements hearings and dispute management Highlighting that civil courts are just one part of a wider civil justice ecosystem Sorabji promotes the wealth of avenues available for dispute resolution and charts how these should be co ordinated in the future He outlines new ways to efficiently incorporate breakthroughs in digitisation and preventive and consensual forms of justice and also explores likely shifts in the purpose of procedural codes as digitisation evolves while underscoring the consistent need for judicial independence and accountability Ultimately Sorabji posits that procedural codes should guide not only the process of litigation but those who design digital procedures and test their propriety in the future

Crisis Negotiations Michael J. McMains, Wayman C. Mullins, 2014-09-19 Leading authorities on negotiations present the result of years of research application testing and experimentation and practical experience Principles and applications from numerous disciplines are combined to create a conceptual framework for the hostage negotiator Ideas and concepts are explained so that the practicing negotiator can apply the principles outlined

Crisis Negotiations Michael McMains, Wayman Mullins, Andrew Young, 2020-07-16 Crisis Negotiations Managing Critical Incidents and Hostage Situations in Law Enforcement and Corrections the sixth edition is an invaluable resource for mitigating managing or responding to high risk negotiation incidents This revision includes the current research on negotiating high risk incidents in the classroom and the field It includes an applied analysis of the value of psychopathology to high risk perpetrators It refines the empirical eclecticism

introduced in the fourth edition to provide a conceptual basis for crisis negotiations The authors include summary bullet points at the end of each chapter for easy reference when negotiators are in the field and a review of the literature since the last edition appeared Their discussion of the strategic planning process involved in high risk negotiation incidents focuses clearly on the critical questions negotiators need to ask themselves about any high risk incident and provides a practical approach to the psychology of individuals that engage in high risk incidents Known as the bible to experienced professionals in the field this sixth edition of Crisis Negotiations is vital for practitioners as well as for criminology criminal justice or psychology courses in crisis management applied psychology and special operations in law enforcement and corrections Instructors will find it well supported by ancillary materials including discussion questions slide presentations and a test bank as well as case studies and self assessment quizzes for students making it easy to develop a first time course or to integrate it into an existing course
