*Engaging Geopolitics* Kathleen E Braden, Fred M Shelley, 2014-09-11 *Engaging Geopolitics* provides a comprehensive introduction to the influence of geography demography and economics on politics and international relations in the world in which we live today The authors expressed aim is to make geopolitics more accessible to undergraduate students with the hope that the book will be an ideal starting pointing for those who will be moving vertically into more advanced courses in political geography or laterally into other concerns of international affairs *Engaging Geopolitics* United States Air Force Academy, 2003\* ***Engaging Geopolitics*** Kathleen E. Braden, Fred M. Shelley, 2000 ***Revista Geopolitica*** , *De Gruyter Handbook of Feminist Political Geography* Sydney Calkin, Cordelia Freeman, 2025-11-17 Feminist Political Geography is a relatively new but rapidly growing area of interest in Geographical scholarship It emerged from feminist engagement with the sub discipline of Political Geography which broadly concerns the intersection of politics power and space and it responds to silences and absences in this sub discipline as well as wider silences in Geography scholarship While early scholarship in Feminist Political Geography concentrated on including women s bodies and lives in scholarship its focus has evolved and expanded over time Today Feminist Political Geography scholarship advances broader goals that do not necessarily entail a research focus on women but push us to think about other lives and bodies that are traditionally absent from analysis It challenges us to reimagine and build just futures Like all feminist analysis this body of scholarship is not content with describing or explaining injustices it advances a normative critique of injustice and overtly commits itself to the project of justice In this book the reader will find chapters authored by leading scholars who interrogate key ideas debates and developments with a particular focus on intersectional ideas Structured into four sections that go from the origins of Feminist Political Geography to its futures this handbook is the definitive state of the art survey of this vibrant sub discipline

*Capital and Ecology* Rakhee Bhattacharya, G. Amarjit Sharma, 2023-08-28 This volume studies the intersection of capital and ecology primarily in one of the most sensitive geographies of the world the Eastern Himalayan region It looks at how the region has become a melting ground of neoliberal developmentalism and ecological subjectivities with the penetrating forces of global and state capitalism economic projects and complex power relations The essays in the volume argue that specific focus on energy infrastructure and energy production has pushed technology and capital towards asset building which has had an adverse effect on the environment labour relations indigenous knowledge systems and traditional livelihood practices in the area They look at assets like mega dams electricity transmission networks natural gas grids infrastructural and developmental projects and other alternative ventures which require interventions in the natural world and its resource deposits Interdisciplinary in approach the volume adopts a variety of lenses developmentalism state strategy indigenous voices geopolitics and environmentalism to provide a unique and alternative narrative on the various dimensions of the ecological risks and livelihood threats It will be of great interest to scholars and researchers of politics development studies
