

Engendering the Social

Engendering The Social

Beth Goldblatt

Engendering The Social:

EBOOK: Engendering the Social N/A Marshall, Anne Witz, 2004-03-16 This edited volume focuses on the problematic engendering of classical and contemporary sociological theory addressing questions such as How were the foundations of sociological theory shaped by an implicit masculinity Did classical sociology simply reflect or actively construct theories of sexual difference How were alternative accounts of the social suppressed in sociology's founding moments Feminist interventions in sociology are still seen as marginal to sociological theorizing This collection challenges this truncated vision of sociological theory In part one contributors interrogate the classical canon exposing the masculinist assumptions that saturate the conceptual scaffolding of sociology In part two contributors consider the long standing and problematic relationship between sociology and feminism retrieving voices marginalized within or excluded from canonical constructions of sociological theory In part three contributors engage with key contemporary debates explicitly engendering accounts of the social Engendering the Social is unique in that it not only critically interrogates sociological theory from a feminist perspective but also embarks on a politics of reconstruction working creatively at the interface of feminist and sociological theory to induce a more adequate conceptualisation of the social This is a key text for undergraduate and postgraduate students in sociology social theory and feminist theory

Engendering Modernity Barbara L. Marshall, 2013-06-28 In this book Barbara Marshall argues that the debates around both modernity and postmodernity neglect the role of women and significance of gender in the formation of contemporary societies

Engendering Modernity Barbara L. Marshall, 1994 In this book Barbara Marshall argues that the debates around both modernity and postmodernity neglect the role of women and significance of gender in the formation of contemporary societies

Engendering Social Policy Sophie Watson, Lesley Doyal, 1999 Engendering Social Policy brings new and fresh perspectives to the question of how social policy constructs gendered social relations With the restructuring of welfare firmly back on the political agenda in the context of a reassertion that traditional families are the backbone of society this book raises important issues for students academics and practitioners grappling with social policy issues at the end of the millennium

Women's Rights to Social Security and Social Protection Beth Goldblatt, Lucie Lamarche, 2014-10-23 This collection examines the human rights to social security and social protection from a women's rights perspective The contributors stress the need to address women's poverty and exclusion within a human rights framework that takes account of gender The chapters unpack the rights to social security and protection and their relationship to human rights principles such as gender equality participation and dignity Alongside conceptual insights across the field of women's social security rights the collection analyses recent developments in international law and in a range of national settings It considers the ILO's Social Protection Floors Recommendation and the work of UN treaty bodies It explores the different approaches to expansion of social protection in developing countries China Chile and Bolivia It also discusses conditionality in cash transfer programmes a central debate in social policy and

development through a gender lens Contributors consider the position of poor women particularly single mothers in developed countries Australia Canada the United States Ireland and Spain facing the damaging consequences of welfare cuts The collection engages with shifts in global discourse on the role of social policy and the way in which ideas of crisis and austerity have been used to undermine rights with harsh impacts on women *The State of Feminist Social Work* Vicky White,2006-09-27 Social work is currently undergoing major change in its policies organization and day to day practice and much has been written about the feminist presence in social work In particular feminist social work has focused on the role of women social workers in developing distinctive forms of practice rooted in a commitment to egalitarian relationships with women service users *The State of Feminist Social Work* challenges the limitations of this perspective Tracing key ideas in feminist social work from the 1970s through to the present day and using data from interviews with female social workers this book draws out tensions between the literature and the actual experience of female social workers In doing so it highlights the significance for feminists of social work s location in the state enables the experiences of women social workers to be explored and placed within their structural context opens up the possibility of diverse identities identifications and stances amongst women social workers critically examines the current state of feminist social work *The State of Feminist Social Work* provides an important appraisal of the subject and is essential reading for all those with an interest in feminism and social work theory practice and education

The Social Studies ,1921 **The Philosophy of Marriage, in Its Social, Moral and Physical Relations** Michael Ryan,185? *Handbook of Social and Clinical Psychology* C. R. Snyder,Donelson R. Forsyth,1991 **Black Caucus** ,1993 **Britain's Social State** David Lewis,1872 *Historical Outlook* ,1920 *The Jews* Maurice Fishberg,1911 *How to Make Courses of Study in the Social Studies* Marion Eugene Herriott,1926 **Women in Academia** Codesria,2000 The struggle for gender equality within academic life continues to meet strong resistance and African campuses are no exception In the one area where women should be able to command respect and equality the day to day reality of female academics is one of antagonism difficulty and even physical and mental harassment Academic freedom in Africa has attracted much recent attention But few examinations of the subject have incorporated a gender analysis Drawing on the experiences of women from Cameroon Egypt Malawi Mauritania Nigeria Senegal Tanzania and Uganda this ground breaking book examines in detail the realities of academic life Choice in curricula underfunding promotion relations with other staff and pay conditions are just a few of the critical issues explored

Britain's Social state ... Third thousand David LEWIS (Magistrate of the City of Edinburgh.),1872 *The Social Scene* Robert S. Browne,1972 *Social Pathology* Stuart Alfred Queen,Delbert Martin Mann,1925 *Quarterly Journal of Indian Studies in Social Sciences* ,1971 **Developing the Right to Social Security - A Gender Perspective** Beth Goldblatt,2016-06-10 The right to social security found in international law and in the constitutions of many nations contributes to the alleviation of poverty globally Social security and its articulation as a human right have received increased

attention in recent years both in response to austerity cuts to welfare in developed countries and as a means of lifting millions out of poverty in developing countries Women disproportionately affected by poverty in all parts of the world stand to gain from a right to social security that takes cognisance of gender discrimination and disadvantage This book interprets and redefines the right to social security from a gender perspective Drawing on feminist theory the book formulates a conceptual approach and a set of principles for a substantively equal gendered right to social security In so doing it challenges the relationship between the right to social security and traditional conceptions of work that exclude women s labour including their caring roles It argues that the right must have application at the transnational level if it is to address the changing nature of women s work due to globalisation The book applies the framework and principles it develops to a study of international law focusing on the work of key United Nations human rights bodies It also demonstrates the value of this framework in its analysis of three countries social security programmes South Africa Australia and India In combining feminist thought on the nature of work and care with equality theories in developing the right to social security from a gender perspective this book expands the capacity of the right to advance gender equality and address gendered poverty

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Engendering The Social**

In a world inundated with monitors and the cacophony of fast conversation, the profound power and mental resonance of verbal artistry usually disappear in to obscurity, eclipsed by the regular assault of noise and distractions. Yet, nestled within the lyrical pages of **Engendering The Social**, a charming work of literary beauty that pulses with organic thoughts, lies an remarkable journey waiting to be embarked upon. Penned by a virtuoso wordsmith, that interesting opus instructions readers on an emotional odyssey, lightly exposing the latent potential and profound impact embedded within the elaborate web of language. Within the heart-wrenching expanse with this evocative evaluation, we can embark upon an introspective exploration of the book is central subjects, dissect its fascinating writing fashion, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
