Excerpt from review by Peter J Carroll Jaq D Hawkins Chaomicon gives a fair sketch of the general history of Chaos Magic without going into excessive detail about the personalities and the inevitable personal squabbles involved She shows the history and genesis of many of the ideas that came together to create a new way of thinking about magic and new ways of doing it The book contains a particularly good analysis of the historic and current functions of the Gods and Goddesses of Chaos and the relationship between the Chaos that began in the UK and the Discordianism that began in the USA The Chaomicon also describes many of the basic techniques of Chaos Magic in simple terms free from occult obscurantism so readers new to the subject can find much to try out experimentally
