

A black and white photograph of a crowd of people, with a hand holding a small flag in the foreground. The image is the background for the book cover.

FUGGITIVE DAYS

**MEMOIRS OF AN
ANTIWAR ACTIVIST**

Bill Ayers

With a new afterword by the author

Fugitive Days

Jiyuan Zhang

Fugitive Days:

Fugitive Days Bill Ayers,2002-06-27 Bill Ayers was born into privilege and is today a highly respected educator In the late 1960s he was a young pacifist who helped to found one of the most radical political organizations in U S history the Weather Underground In a new era of antiwar activism and suppression of protest his story Fugitive Days is more poignant and relevant than ever

Terrorist Attacks on American Soil J. Michael Martinez,2023-06-14 Understanding the context of terrorism requires a trek through history in this case the history of terrorist activity in the United States since the Civil War Because the topic is large and complex Terrorists Attacks on American Soil From the Civil War to the Present does not claim to be an exhaustive history of terrorism or the definitive account of how and why terrorists do what they do Instead this book takes a representative sampling of the most horrific terrorist attacks on U S soil in an effort to understand the context in which they occurred and the lessons that can be learned from these events

The Weatherwomen Mona Rocha,2020-02-14 Assertive tough and idealistic the Weatherwomen members of the Weather Underground Organization WUO from the late 1960s were determined to stamp out sexism and social injustice They asserted that militancy was necessary in the pursuit of a socialist revolution that would produce gender racial and class equality This book excavates their long buried history and reclaims the voices of the Weatherwomen The Weatherwomen s militant feminism had many facets It criticized the role of women in the home was concerned with the subordination of women to men attacked the gender pay gap and supported female bodily integrity The Weatherwomen also refined their own feminist ideology into an intersectional one that would incorporate multiple identity perspectives beyond the white American middle class perspective In shaping a feminist vision for the WUO the Weatherwomen dealt with sexism within their own organization and were dismissed by some feminist groups of the time as inauthentic This work strives to recognize the WUO s militant feminist efforts and the agency autonomy and empowerment of its female members by concentrating on their actions and writings

Wounds of the Heart Joseph Keely,2021-02-22 This is for my children and my children s children so that they may know that their father grandfather served his country along with 2 909 918 other men and women in uniform in Vietnam Most of these men and woman remained loyal to their oath as military personnel and served with honor and distinction I want them to know that our efforts and sacrifices were undermined at every turn of the event by the American people the American press and self centered politicians through lies propoganda and treason on a scale so large it was unstoppable And finally forced the government to abandon its troops on the field of battle to fend for ourselves That they may also see the real truth surrounding the Vietnam War and the war that has raged within me these past fifty plus years These words were engendered by a comment I heard on television It angered me enough to conduct a personal investigation to see if the nine lines written above were just a figment of my imagination or what I felt to be true in my heart This investigation has culminated with mixed feelings It saddens me that what I felt in my heart is true however I am elated that my investigation serves as a

vindication of all the Vietnam veterans both men and women who remained loyal to their oath as soldiers sailors airmen and marines I am elated that there is finally a book that countermands the lies and propoganda that have carried on from the 60s to this very day and that it shows the Vietnam veterans as the loyal and honorable men and women they have proven themselves to be
