Hebrew Poetics:

The Basics of Hebrew Poetry Samuel T. S. Goh, 2017-10-12 Almost 75 percent of the Old Testament is made up of poetic passages yet for many readers lay Christians even seminary students and pastors biblical poetic passages remain the greatest challenge Being unfamiliar with poetry in general and biblical poetry in particular their reading and preaching are limited to selected poetic passages This in turn limits their understanding of God's word To help readers overcome these problems the first four chapters of this book aim to get them familiarized with the literary techniques of biblical poets To demonstrate how the techniques work to bring across the biblical theological message the last three chapters offer poetic analyses of three passages of different kinds In the process we hope to draw attention to the beauty of the Hebrew poetic art and to the creative skill of biblical poets versification The ultimate aim however is to help readers discover the rich message of the Bible

A Manual of Hebrew Poetics Luis Alonso Schökel, 1988 This manual closes a circle which began almost thirty five years ago November 1954 with the beginning of work on a doctoral dissertation defended at the Pontifical Biblical Institute in April 1957 published in Spanish in 1962 During three decades of teaching and writing the author has kept an active interest in poetics and stylistics and the resulting accumulated knowledge has been concentrated in the present manual The primary purpose of the book is not to serve as a source of information about facts and authors but rather to initiate the reader into the stylistic analysis of poetry To obtain information and to classify it the reader can turn to recent works Watson earlier works Knig Hempel or reprinted works Bullinger Among the poetic techniques discussed are Sound and sonority rhythm imagery figures of speech dialogue and monologue development and composition Page 4 of cover

Hebrew Poetry in the Bible Lynell Zogbo, Ernst R. Wendland, 2000

Pottery, Poetry, and Prophecy David Noel Freedman, 1980 A collection of articles and essays practically all of which were published during the 1970s

On Biblical Poetry F.W. Dobbs-Allsopp, 2015-08-26 On Biblical Poetry takes a fresh look at the nature of biblical Hebrew poetry beyond its currently best known feature parallelism F W Dobbs Allsopp argues that biblical poetry is in most respects just like any other verse tradition and therefore biblical poems should be read and interpreted like other poems using the same critical tools and with the same kinds of guiding assumptions in place He offers a series of programmatic essays on major facets of biblical verse each aspiring to alter currently regnant conceptualizations in the field and to show that attention to aspects of prosody rhythm lineation and the like allied with close reading can yield interesting valuable and even pleasurable interpretations What distinguishes the verse of the Bible says Dobbs Allsopp is its historicity and cultural specificity those peculiar encrustations and encumbrances that typify all human artifacts Both the literary and the historical then are in view throughout The concluding essay elaborates a close reading of Psalm 133 This chapter enacts the final movement to the set of literary and historical arguments mounted throughout the volume an example of the holistic staging which Dobbs Allsopp argues is much needed in the field of Biblical Studies

Classical Hebrew Poetry Wilfred G. E. Watson, 2004-12-30 In

spite of debatable issues such as metre we now know enough about classical Hebrew poetry to be able to understand how it was composed This large scale manual rich in detail exegesis and bibliography provides guidelines for the analysis and appreciation of Hebrew verse Topics include oral poetry metre parallelism and forms of the strophe and stanza Sound patterns and imagery are also discussed A lengthy chapter sets out a whole range of other poetic devices and the book closes with a set of worked examples of Hebrew poetry Throughout other ancient Semitic verse has been used for comparison and the principles of modern literary criticism have been applied

A Primer of Biblical Hebrew Poetry David Mark Emanuel, 2025 A Primer of Biblical Hebrew Poetry by David Mark Emanuel is an essential language resource for understanding Hebrew poetry in the Hebrew Bible The textbook describes with examples the range of poetic techniques employed by the biblical poets encompassing all poetic texts in the Hebrew Bible including the psalms wisdom and prophetic literature and poetic lines embedded within Hebrew prose The book is organized into five main sections beginning with a robust introduction on the idea of Hebrew poetry and where it is dispersed throughout the Hebrew Bible Three primary chapters follow addressing Masoretic lexical and morphological features structural poetics and specific Hebrew poetics The book concludes with a summary chapter and two helpful appendices A Primer of Biblical Hebrew Poetry is intended for upper level undergraduate students and seminary students who have already begun learning the Hebrew language Emanuel's clear explanations and examples are intended to support classroom teaching on Hebrew poetry whether in a Hebrew readings class or in the context of book studies that include Hebrew poetry

Hebrew Poetics Paul-Eugène Dion, 1992-01-01 How should one read aloud the Book of Job or the Hebrew Psalter This is the question answered by this concise guide to the analysis and correct vocalisation of Hebrew poetry As the author states in the foreword this is not by any means a comprehensive guide to the rich symbolism or the different literary genres that make up Hebrew literature Its subject is restricted to what can be irreverently described as the mechanics of biblical poetry

Word-Order Variation in Biblical Hebrew Poetry Nicholas P. Lunn, 2006-10-19 This study tackles the neglected subject of word order in biblical Hebrew poetry The fact that the order of clause constituents frequently differs from that found in prose has often been noted but no systematic attempt has been offered by way of explanation Here two separate factors are taken into consideration that of purely poetic variation defamiliarisation and that of pragmatic markedness The former is common to the poetic genre In the latter case there is a discernible significance in the positioning of the words that has implications with respect to the matters of topic and focus Using Lambrecht's theory of information structure and building on the insights of previous studies in biblical Hebrew narrative the present volume shows that marked topic and focus structures in Old Testament poetry are identical to those found in prose and are distinguishable from defamiliarised word order by means of the environment in which the latter is found Here the common phenomenon of parallelism is seen to be an important factor in providing a secondary line in which defamiliarisation may freely occur This work offers a new approach to the poetry of the Old

Testament that will be an aid towards more accurate translation exegesis and discourse analysis of poetic texts

A New Sound in Hebrew Poetry Miryam Segal, 2010-01-02 With scrupulous attention to landmark poetic texts and to educational and critical discourse in early 20th century Palestine Miryam Segal traces the emergence of a new accent to replace the Ashkenazic or European Hebrew accent in which almost all modern Hebrew poetry had been composed until the 1920s Segal takes into account the broad historical ideological and political context of this shift including the construction of a national language culture and literary canon the crucial role of schools the influence of Zionism and the leading role played by women poets in introducing the new accent This meticulous and sophisticated yet readable study provides surprising new insights into the emergence of modern Hebrew poetry and the revival of the Hebrew language in the Land of Israel [The Forms of Hebrew Poetry](#)

George B. Gray, 2002-05-24 Gray refined the classifications offered up by Lowth in his Lectures on the Sacred Poetry of the Hebrews Gray developed ingenious readings of texts which had been previously been seen as corrupt and readable only with major emendations Gray deduced principles of Semitic poetry which allowed these texts to be sensibly read without emendation

The Gazelle Raymond P. Scheindlin, 1999 From the tenth century to the thirteenth the Jews of Spain belonged to a vibrant and relatively tolerant Arabic speaking society a sophisticated culture that had a marked effect on Jewish life thought artistic tastes and literary expression In this companion volume to Wine Women and Death we see how the surrounding Arabic culture influenced the new poetry that was being written for the synagogue service The Hebrew poems here accompanied by elegant English translations and explanatory essays are short lyrics of the highest literary quality

Interpreting Hebrew Poetry David L. Petersen, 2009-12-01 Here is a convenient introduction to the unique aspects of interpreting the one third of the Hebrew Bible that is in poetic form Numerous are the occasions when a failure to distinguish poetry from prose in the Old Testament has resulted in flawed interpretation Robert Lowth's Lectures on the Sacred Poetry of the Hebrews 1753 1787 marked a turning point of major proportions by focusing on the importance of parallelism of lines But new studies of the past decade now require significant adjustments to Lowth's analyses *Interpreting Hebrew Poetry* offers an authoritative introduction to this discussion of parallelism meter and rhythm and poetic style It also provides by way of example a poetic analysis of Deuteronomy 32 Isaiah 5 1 7 and Psalm 1

[The Art of Biblical Poetry](#) Robert Alter, 2011-09-06 Three decades ago renowned literary expert Robert Alter radically expanded the horizons of biblical scholarship by recasting the Bible as not only a human creation but a work of literary art deserving studied criticism In *The Art of Biblical Poetry* his companion to the seminal *The Art of Biblical Narrative* Alter takes his analysis beyond narrative craft to investigate the use of Hebrew poetry in the Bible Updated with a new preface myriad revisions and passages from Alter's own critically acclaimed biblical translations *The Art of Biblical Poetry* is an indispensable tool for understanding the Bible and its poetry

The Princeton Encyclopedia of Poetry and Poetics Roland Greene, Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, Harris Feinsod, David Marno, Alexandra Slessarev, 2012-08-26 Rev ed of *The Princeton*

encyclopedia of poetry and poetics Alex Preminger and T V F Brogan co editors Frank J Warnke O B Hardison Jr and Earl Miner associate editors 1993 A Word Fitly Spoken Les D. Maloney,2009 A Word Fitly Spoken explores significant poetic devices within the four alphabetic acrostic psalms found in Book I of the Psalter The majority of scholarly opinion has been that these acrostics are poetically and artistically deficient due to the writers and editors preoccupation with the alphabetic pattern In contrast to this view A Word Fitly Spoken proposes that the acrostic pattern contributes to rather than detracts from the poetic artistry of these psalms In an effort to promote a holistic canonical reading of the four acrostic poems within Book I of the Psalter this study also examines the linguistic and grammatical connections within the text Such a close reading repeatedly demonstrates the emotive power and the imagination of this literature in contradiction to its supposedly stiff wooden nature A Word Fitly Spoken is attuned to the frequent plays on word and sound that occur throughout these four poems and as such would be useful in graduate courses on biblical interpretation Hebrew poetry or the Psalms Biblical Poetry and the Art of Close Reading J. Blake Couey, Elaine T James,2018-08-30 This volume explores the aesthetic dimensions of biblical poetry offering close readings of poems across the Hebrew Bible Old Testament Composed of essays by fifteen leading scholars of biblical poetry it offers creative and insightful close readings of poems from across the canon of the Hebrew Bible Old Testament Psalms wisdom poetry Song of Songs prophecy and poetry in biblical narrative The essays build on recent advances in our understanding of biblical poetry and engage a variety of theoretical perspectives and current trends in the study of literature They demonstrate the rewards of careful attention to textual detail and they provide models of the practice of close reading for students scholars and general readers They also highlight the rich aesthetic value of the biblical poetic corpus and offer reflection on the nature of poetry itself as a meaningful and enduring form of art

Dictionary of the Old Testament: Wisdom, Poetry & Writings Tremper Longman III, Peter Enns,2008-06-06 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther *Antithetic Structure in Biblical Hebrew Poetry* Jože Krašovec,1984 Originally presented as author's thesis doctoral Hebrew University 1983 **Lectures on the Sacred Poetry of the Hebrews;** Robert Lowth,1839
