Hell and How to Avoid Hell F. X. Schouppe, Thomas A. Nelson, 1991-11-01 *The Bible, Simplified Study Guide plus Streaming Video* Zach Windahl, 2025-07-01 A simple guide to understanding the Bible Let's be honest The Bible is complex It's intricate It can be daunting The first half is confusing aside from the stories you might have learned in Sunday school which are far more disturbing today than when you read them as a kid Then Jesus appears and while it's amazing to read about his birth and teachings and wisdom and miracles it can cause you to wonder why he had to die for you The final pages of the Bible are even more perplexing Suddenly you're reading about visions and beasts and the very end of the world Perhaps this is why many of us find it easier to go to church and just listen to the pastor preach a sermon on the good book rather than tackle it ourselves But if we do this we miss out on so much God has given us the Bible as a how to guide for making the most out of life The Bible should be our lifeline We need to study it as much as we need to breathe This is where The Bible Simplified can help Over the course of eight weeks bestselling author Zach Windahl will show you how all the stories in the Bible tell an interwoven story of God using people to bring his kingdom to the world You will dig into historical context learn about the different genres in the Bible and why they are important and discover proven methods of studying the Bible that will help you not only better understand what it means but also how it can transform your life and deepen your relationship with Christ God is calling you today to follow him And he wants to speak to you through the Bible This study guide includes A guide to best practices for leading a group Individual access to eight streaming video sessions Personal study for deeper reflection between sessions Video notes and comprehensive structure for group discussion time Streaming video access code included Access code subject to expiration after 12/31/2030 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside

secular illustration for this new life which is included in this book is found in an African story entitled The Dirty Basket According to this tale a young man became a Christian but soon learned he was still subject to strong temptations One day this recent convert went to his grandfather to discuss his many failings The grandfather suggested his grandson take a basket to the river and get some drinking water The grandson looked at the basket and said it was dirty The holes in this basket would prevent him from bringing back much water The grandfather insisted his relative do as he had asked The young man made six attempts to bring back water in this filthy basket and each time he failed After returning to his grandpa and complaining about the basket the grandfather pointed out how clean the basket had become Also the reeds from which the basket was made had swelled from all the water The Sermon on the Mount helps dirty and unholy people keep putting water in the basket to conform more and more to the image of Christ
