missing from the murder scene was an actual murder Tipped off by one of Dalia s lovers an undercover detective posing as a hit man met with Dalia to plot her husband s murder while his team planned then staged the murder scenario brazenly inviting the reality TV show Cops along for the ride The Cops video went viral sparking a media frenzy twisted tales of illicit drugs secret boyfriends sex for hire a cuckolded former con man and the defense s ludicrous claim that the entire hit had been staged by the intended victim for reality TV fame In Poison Candy case prosecutor Elizabeth Parker teams with bestselling crime writer Mark Ebner take you behind and beyond the courtroom scenes with astonishing never before revealed facts whipsaw plot twists and exclusive photos and details far too lurid for the trial that led to 20 years in state prison for Dalia Dippolito

Online Intersex Communities Brian Still,2008 Brian Still s rhetorical analysis of a select number of key intersex web sites supplemented with interviews of leading intersex activists and scholars allows us to take a previously unexplored critical approach to comprehending the medicalization of intersexuality as well as the online communities that have in the ongoing production of themselves shaped productive resistance to it Drawing on the ideas of Arjun Appadurai Michel Foucault Judith Butler and also Stuart Hall and Paul du Gay Still points out that because society values perhaps now more than before the words of wounded storytellers or those who do not treat but have been treated and in many cases traumatized then intersex activists can speak with a measure of newfound authority taking advantage of a media capable of disseminating the meanings they create so that they are more accessible and consequently more influential in re shaping what it means to be normal
