Casino Craps Frank Scoblete,Dominator,2012-07-01 The most comprehensive craps book ever written this is the book that gives readers everything needed to get a real verifiable edge at the game of craps The authors two of the greatest living dice controllers share in words and pictures their secret Golden Touch technique and give the edge needed to beat the house Readers will learn several keys to winner craps including how the game is really played how to develop a Golden Touch

controlled throw which are the best and worst bets and buy bets how to reduce the hit of the house edge by using the five count how to push the casino to give a better game than advertised how to set the dice to reduce or increase the appearance of different numbers and how to judge what a real edge means

How to Play Craps Jack Salay, 2010-12 I have been dealing and supervising the game of craps in major casinos across this country for over 25 years now I have noticed that the reason people do not play craps is because they are intimidated by the game's complexity I have broken down the game bet by bet and explain how each bet will win and lose Individually And why You will learn table etiquette and be able to attack the game at your speed and avoid any embarrassment that may be holding you back from playing This is a game you will thoroughly enjoy playing And its not as hard as you might think

How to Play Craps and Win! M. Mitch Freeland, 2018-09-13 DISCOVER THE 3 IRREFUTABLE PLAYS THAT WILL MAKE YOU A WINNER Isn't it time you won at CRAPS In *How to Play Craps and Win* you will learn the three plays that give you the edge or an even gamble with the casino These methods are seldom discussed in gambling literature yet they produce profits time and again because they are mathematically proven the odds are in your favor In this book bestselling author Advantage player Mitch Freeland shows how he beat the dice for over 30 years You will learn An easy betting method that can give you as much as a 2 to 1 edge on certain bets How to birdog a table How to benefit from superstitious players How to have an odds bet without a Pass line or Come bet How to manage your play for maximum profits When to press it up and when to take a walk Which type of players to play with that will practically guarantee you a profit The simple yet profitable favors you get my asking fellow players the right questions There are three irrefutable plays at the crap table that if played over any period of time and as instructed in this book will make you a big winner for the rest of your life Yes I know this is a big claim and it would be stupid or irresponsible of me to make such a statement without backing it up with solid facts and numbers Well the numbers are correct and the math doesn't lie The 3 irrefutable plays in this book work In fact by just practicing one of the plays in any casino will guarantee you a significant mathematical edge Mitch has been playing winning craps for more than thirty years He has seen a lot of players lose a lot of money over the years and only a few win The fact is well over 99 percent of people who play craps are losing players They lose for a number of reasons but most lose because they are not serious about the game and even though they may feel they know what to do they don't know how to do it correctly consistently and with self discipline The casino has an edge We know this However the casino does not have an edge when you exploit flaws from other players thus giving you a noted advantage that can make you a consistent winner The 3 irrefutable bets presented in this book are solid tested and irrefutable They have worked for decades perhaps even as far back as one hundred years ago when modern day craps evolved into the game it is today The 3 irrefutable bets are the best bets you will ever get from any casino In blackjack counting cards use to be the way to go but these days it is difficult with casino heat too hot and the hourly rate not worth the while for most small players This leaves one option in the casino craps *How to Play Craps and Win* is
