Watching My Language: William Safire,2011-08-03 America s most entertaining language maven is back with more words to live by in his latest exploration of hot catchphrases syntactical controversies and other matters of national linguistic importance Before you scratch that seven year itch you might want to know where it came from And before someone blurts You just don t get it perhaps you should consult the Pulitzer Prize winning language columnist on the origins of that snappy feminist motto

Exploitative Play in Live Poker Alexander Fitzgerald,2018-11-19 Many poker players can make good decisions at the table with a reasonable frequency Nevertheless there are numerous situations where even very experienced players behave in predictable ways These deeply ingrained habits lead them to make mistakes The problem is that these situations won t often arise at the table by chance you have to make them happen *Exploitative Play in Live Poker* is a ground breaking work that teaches you how to create the circumstances where your opponents will be likely to blunder and how to exploit them when they do To achieve this you will need to put to one side starting hand charts balance and GTO Game Theory Optimal play Instead you will incorporate new concepts that may well place you outside your comfort zone However your style will now be forcing the other players at the table outside of their

comfort zone and unlike you they won't know how to adapt Learn how to Counter the auto continuation better Develop a powerful donk betting strategy Use the overbet the check raise and the three barrel effectively As well as being a highly successful player Alex Fitzgerald runs a poker consultancy that serves more than 1 000 professional poker players in 60 countries As part of this work he has very likely trawled through more hand history databases than anyone else This gives him a unique insight into how players really play especially when placed under pressure and forced into unfamiliar situations
