Dick Sutphen's Life-Changing VIDEO HYPNOSIS

Far more powerful than any self-programming available today, this tape programs both the conscious and subconscious mind via hypnosis, plus audio and video subliminal suggestions. Simply sit back and watch your television screen.

You are hypnotized two ways. Dick directs a body-relaxation induction, instructing you to keep your eyes open and on the screen, which is hypnotizing you with its images. You are also being programmed with two kinds of subliminal suggestions: 1. The suggestions below are being flashed on the screen. You won't consciously see them but your mind will respond to the ideas; 2. These suggestions have been embedded in the background music. Your subconscious perceives the messages and begins to generate the circumstances necessary to fulfill your desires.

As you watch the video, Dick continues to verbally direct suggestions. If you become so relaxed that you have to close your eyes and drift off, you'll still be receiving the spoken suggestions and audio subliminals. But to maximize programming effectiveness, keep your eyes open during the tape. To avoid becoming too relaxed, fast forward the tape past the body relaxation.

You won't feel "tranced out." Your body is asleep but your mind is alert on all levels; you'll remain fully aware of your surroundings. Dick removes the filters blocking subconscious and superconscious access. An eyes-open alpha (hypnosis) brain level is generated with these techniques—you simply feel mellow or drowsy but your mind will be open to the acceptance of suggestion—from 25 to 100 times as suggestible as if you consciously made the decision to fulfill your goal.

You are awakened at the end, "fully alert, thinking and acting with calm self-assurance."

The Audio & Video Subliminal Suggestions

■ Every cell in your body is filled with divine healing light. ■ You have the power and ability to accelerate your healing. ■ Your body is filled with positive healing energy. ■ Your mind is all powerful and you use it to heal yourself. ■ You consciously and subconsciously choose perfect health. ■ You are healing, you are healed. ■ "Healed and health" are your key words for conditioned response.
