Healing Prayers Daniel C. Okpara, 2017-03-23 I have experienced divine healing several times in my life My healing experiences has taught me that God will heal us over and over again not because we are perfect or holy but because He wants us to be healthy and sound to be able to live a great life and do His will My experience has taught me that getting healed is very very easy Many times it's we that try to make things complicated The enemy tries to convince us that we are sinners that we've done a lot of bad things and so not qualified for healing But the scripture says that God forgives our sins and heals our diseases Never allow the devil to play with your mind that because you've sinned before now that you'll die The devil is good at playing mind games with people He'll try to convince you that you're not qualified for God's healing It doesn't matter what they call it Cancer Diabetes Stroke ADHD Arthritis Asthma Autism Spectrum Disorder ASD Ebola Epilepsy Genital Herpes etc God wants you healed In this book you'll discover great healing scriptures powerful healing prayers and prophetic declarations from the Bible These healing scriptures prayers and prophetic declarations will help you experience instant divine healing and you'll walk in divine health This book will help you to unleash the healing power of God in your life within a few hours I believe that God does not just want to heal you He also wants to heal every member of your family friends and neighbors He wants you to be healed and live a healthy life As we go through the scriptures for healing and say the powerful prayers and prophetic declarations in this book you will experience God's healing power and your testimony will be permanent Share these prayers for healing and strength with a friend neighbor anyone who is experiencing weakness pain torment and sickness at the moment and help them receive their healing from God and walk in total health **God's**

compiles the author's notes and prayers during his fast. It has been organized to apply to anyone who wants to learn about healing at their own pace with Scriptural support, suggested prayers, and journaling prompts. There is no requirement to fast while going through this devotional. John systematically teaches the mysteries he has unlocked over the course of four years of studying and applying Biblical Christian healing. He wrote this devotional with the hope of helping others who are in similar circumstances: those who desperately need healing, aren't sure how to pray, and are wondering if God is willing to help. The first week covers verses that reveal God's healing nature, why people started getting sick, our need to connect with Him despite our pain, how Jesus represented God as He healed, the importance of asking God for what we need, and the promises in His Word regarding asking. The depth of provision in Jesus's sacrifice, Jesus's example of speaking to what needs changed instead of speaking to God about what needs changed. Over the course of the full 49 days, you will discover: What is God and Jesus's will regarding healing? How Jesus fulfilled prophetic verses of healing? How God's will is accomplished? What we can learn from the remarkable similarity between salvation and healing? What do covenants have to do with sickness and healing? How to receive the same blessings God promised His people in the Bible? How God disciplines and teaches us? What faith has to do with healing? What we can learn about God by looking at Jesus in the gospels? How sin and righteousness affects healing? What the Bible teaches us about evil spirits? How Jesus showed us to fight the enemy and how to be equipped for that fight? How Satan attacks and what we can do about it? What Jesus told His disciples and us to do? What is the right atmosphere for healing? How to exercise and apply Jesus's name, authority, anointing, and blood? How fear and doubt play into sickness and how to overcome them? How to heal the soul, thoughts, and emotions? What are the promises and benefits of God and how to claim them? How fasting affects healing? Many surprising and practical elements of healing seen in the Bible which can be applied today. Don't forget to get the free resources linked within the book. What I love about this devotional is that it answers questions about healing mentally, physically, spiritually, and emotionally in such a relatable way. Each devotional is loaded with Bible verses, a prayer, and thought-provoking questions to help you journal your journey to healing and restoration. This is a must-read for anyone from the new believer to the person that's walked with Christ their whole life. You will gain new understanding of the Scriptures and insight into who God is and how He wants to heal you. Chris Hendrix, Author of *Devotional Guide to Stretching Your Faith*, DevotionsByChris.com.
