

Genesis CH 1-3, 6, 11, 12, 37, 49-58

1. From the creation account in Genesis 1, complete the chart by writing what God created on each day.

Fill in the days with missing information	Fill in the days with missing information
Day 1: Heavens, earth, Light and Dark, Time and space	Day 4: Sun, moon, stars. All of the planets
Day 2: Separate water from water- Atmosphere	Day 5: All of the water and air animals
Day 3: Separate water from Land- make land appear + Plants	Day 6: All of the ground animals and Adam and Eve
Day 7: God rested, and was pleased with what he had made	

2. How was Eve Created?

-Eve was created from the rib of Adam.

-When God removed the rib and covered the spot with flesh, it tells us that God did not only remove a part of the rib (bone) but he also removed the blood, muscle, skin, and everything else that would be around the rib bone.

-The lower ribs will grow back when they are removed, so it is assumed that God took out one of the lower ribs.

3. What is significant about the image of God?

God made humans into the image of God. We are the only things made that actually look like God and were given the breath of life directly from God. Yes, everything has the breath of life, but humans are the only ones who were given the breath straight from God.

4. What animal talked with Adam and Eve in the Garden? What fruit did Adam and Eve eat?

-A Snake

-We do not know the fruit. The Bible does not tell us. There was only one tree with that fruit (the tree of the knowledge of good and evil). Only one tree existed, and it would have been destroyed during the flood.

5. Why did God bring the Flood on the world?

-There was too much sin in the world,

-God had regretted making human kind.

6. Tell me about there being no rain before the flood?

Water would come up from underneath the ground and water all of the plants. There was no rain before the flood. Genesis 2:6

7. Explain to me, what would have been on the ark (list as much as possible)? How did all the animals go to the ark?

2 of every kind of animal. 2 dogs, 2 cats, 2 snakes, 2 lizards, 2 horses, 2 long neck dinosaurs, 2 T-Rex, 2 of every kind of animal. They did not need 20 dogs, or 10 horses. Only 2.

Noah would have brought out an animal based on what he was told to bring.

There would be 8 people. Noah and his wife, Noah's 3 sons, and their wives. They would have brought food, water, clothes, and anything else to survive on the ark.

8. How old is the earth?

About 5,000 years old. We know this by following the genealogy back to Adam and Eve. We do not know how long Adam and Eve lived in the Garden of Eden, so it could be older.

9. What was God's judgment on the world after the tower of Babel? Why do you think God did not destroy the world again as He had done in the Flood?

God confused the languages, so that men could no longer build the tower of Babel.

God did not destroy the earth again with a flood because he promised not to flood the earth again.

10. How does God show His promise to humans that he will not destroy the earth with water again?

A rainbow. When there is a rainbow, God will see it.

11. What promises did God make to Abraham in Genesis 12:1-3? (List as many as you can)

God will bless his name
