In a dream I found a new way to heal the sick and the physically disabled by directing a whole body-kind of breathing using GenTou. O'Lord stretch those moments of memory. These messenger-thought-orders signaled across my neurons and flashed in many colors having winged their circuitry to me from the highest places of my mind which had linking to the angel of my presence - which had linking to heavenly places.

O'Lord... the poor, the hungry, the jobless, the sick, the tortured, the lonely, and depressed - have mercy on them; heal their minds, heal their bodies, and lead them to the pure water of Love where they can be baptized in Your salvation.

It is my Heart Dream of Love ... GenTou Healing.
