## **Ghost In The Shell Stand Alone Complex:**

*Ghost in the Shell Standalone Complex* Yu Kinutani, 2016      *Ghost in the Shell Standalone Complex Volume 1* Yu Kinutani, 2011-05-24 Stand Alone Complex takes place in the year 2030 in the fictional Japanese city of New Port. The story follows the members of Public Security Section 9, a special operations task force made up of former military officers and police detectives. The manga presents individual cases that Section 9 investigates along with an ongoing, more serious investigation into the serial killer and hacker known only as The Laughing Man. When a high-ranking government official is kidnapped, the Prime Minister must call in his top crime-fighting force known as Section 9. Led by the beautiful and deadly Major Kusanagi, the cybernetically enhanced squad must use all their skills to take down the kidnappers and rescue the hostages. But that's only half of the mission. Can Kusanagi and company find out who's behind the kidnapping and, more importantly, just what they're after? Find out in this thrilling first volume of *The Ghost in the Shell Stand Alone Complex*.

*Ghost in the Shell Standalone Complex Volume 2* Yu Kinutani, 2011-11-29 THE BEST OFFENSE IS A STRONG DEFENSE. An advanced tech tank is on the loose and appears hell-bent on heading into the city. To make matters worse, it has impenetrable defenses and all conventional efforts to stop its progress have failed. Now it's up to Major Kusanagi and Section 9 to find a way to stop the tank's inexorable march toward an unknown fate in the city.      **Ghost in the Shell Standalone**

**Complex Volume 4** Yu Kinutani, 2013-05-21 THE POWER OF MISDIRECTION. Section 9 receives a tip that a criminal group from Henan is planning on attacking a financial institution. To prevent the attack, Section 9 infiltrates the secret base of the criminals. The mission goes well and the threat is neutralized, or is it? Something is amiss, and Major Kusanagi and Section 9 must act quickly in order to stop the criminals from achieving their true goal.      *Ghost in the Shell: Stand Alone Complex 6*

Yu Kinutani, 2015      *The Cinema of Mamoru Oshii* Dani Cavallaro, 2014-06-26 Today's animation is much more than kids' stuff. Increasingly complex subject matter has produced a corresponding increase in artistic interest, and forms once specific to certain cultures have crossed borders to enjoy international popularity. Japanese animation has been particularly successful in the United States, and among the most celebrated Japanese animation artists is director Mamoru Oshii. This book is an analytical survey of Oshii's cinematic works from the early years of his career through his 21st-century productions, including *Beautiful Dreamer* and the acclaimed *Ghost in the Shell*. The author examines these and other Oshii productions in relation to the carnivalesque movement, technopolitics, and the director's post-robotic vision. Oshii's films are particularly significant in their defiance of the premises of Western animation and their presentation of a highly personal commentary on both individual and collective identities in the 20th and 21st centuries. Special emphasis is placed on Oshii's revolutionary film techniques, including the stylistically and thematically diverse features of productions ranging from animation to live action to Original Video Animation (OVA), a format Oshii invented. A complete filmography is included.

*Ghost in the Shell* Robert Place Napton, 2005\*      *Ultimate DVD*, 2007      **Ghost in the shell. Stand alone complex**
