The Pursuit of God's Own Heart John E. Leon,2018-06-19 Only one man in the Old Testament was given the profound description by God himself I have found in David a man after my own heart Acts 13 22 Why Why would God give David such a characterization Wasn t he also a man of failure Of contradictions After all today he would provide headlines for scandal adultery murder cover up and deception And despite those issues there are other pressing questions to ask What are the qualities of one who

has such a heart after God What does that character look like This book takes us on a journey in the life of David discovering what God meant by such a divine inscription regarding the man who would become the greatest and most effective monarch in Israel s history But we will also discover something greater As we travel with David we will soon realize there is a larger story unfolding through David s story It s God s metanarrative His Story We will find there is a deeper message from God that transcends David s life The key that unlocks such a message is given to us long before David is born and spoken by God For those who honor me I will honor and those who despise me shall be lightly esteemed 1 Sam 2 30 As we begin to understand the meaning of this truth we will then learn why God gave David such a description Therefore it is through the lens of David s life we learn the meaning and purpose of the Christian life Why Because God did not intend such a divine inscription for David only but one which our heavenly Father desires to write on your heart and mine as we pursue to know him
