The illustration depicts a magical forest scene at night. Two anthropomorphic foxes, one brown and one reddish-brown, are perched in a treehouse-like structure made of branches and leaves. They are both looking at a large, glowing book held between them. The fox on the left has a small bell on its collar. The fox on the right has a small white patch on its chest. In the background, a large, full moon hangs in a dark blue sky. A bright, glowing light source, possibly a fire or a magical light, is visible on the right side of the treehouse, casting a warm glow. A small bat with yellow wings and a purple body is flying in the lower left corner. The overall atmosphere is mysterious and enchanting.

This is a great story of brave foxes,  
who set out on a long, dangerous journey
