ST. FRANCIS OF ASSISI

Saint Francis was born in the year 1181 in Assisi, Italy. Did you know that Francis was not the name he was actually given at birth? He was born while his father, a rich cloth merchant, was traveling for work. His mother baptized him and named him after a saint (John the Baptist). When his father returned home, he was angry. He wanted his son to be a rich cloth merchant like him, not to be named after a saint! He renamed his son Francesco, in honor of the country France that he loved so much.

When Francis got older, he realized that something was missing from his life but couldn't figure out what it was. He became a soldier, but that didn't make him happy. One day, he heard Jesus speaking to him from a crucifix, asking him to build and repair a church. Francis used his family's money to do this, which made his father very angry. Francis knew, though, that it's what Jesus wanted. Francis decided to live a humble and simple life, always giving away what he had to others. He also started an order of monks called the Franciscans. A monk is someone who dedicated their life to serving God and others.

There are also stories of Saint Francis talking to animals. In one story, Saint Francis spoke with birds, telling them to be thankful that God gave them life. There is another story about Saint Francis talking to a wolf that was attacking people in the town. After Saint Francis spoke to the wolf, it obeyed him and stopped attacking people.

Saint Francis died in 1226. His Feast day is celebrated on October 4th. He became a saint in 1228, and is considered the patron of animals, ecology, and merchants.
