

Final Testimonies

PETER For we have not followed cunningly devised fables, which we made known unto you the power and coming of our Lord Jesus Christ, but were eyewitnesses of his majesty. For he received from God the Father honour and glory, when there came such a voice to him from the excellent glory, "This is my beloved Son, in whom I am well pleased." And this voice which came from heaven we heard, when we were with him in the holy mount. (2Pt 1:16–18)

JOHN And we know that the Son of God is come, and hath given us an understanding, that we may know him that is true, and we are in him that is true, even in his Son Jesus Christ. This is the true God, and eternal life. (1Jn 5:20)

PAUL For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. (Rom 8:38–39)

JUDE Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy, to the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever. Amen. (Jude 1:24–25)

Final Testimonies Karl Barth,2003-10-21 The five brief pieces collected here represent the final words prepared by Karl Barth for publication all of them originating during the period from his serious illness in August of 1968 to his death in December of that same year The final selection is a fragment left unfinished the night he died The last word that I have to say as a theologian or politician is not a concept like grace but a name Jesus Christ He is grace and he is the ultimate one beyond world and church and even theology We cannot lay hold of him But we have to do with him There is no salvation but in this name In him is grace Karl Barth Final Testimonies *Waste Isolation Pilot Plant: Oral testimony* (4 v.) United States. Department of Energy,1990

Karl Barth Karel Blei,2021-11-17 The Swiss theologian Karl Barth 1886 1968 was one of the greatest theologians of the twentieth century This book shows how German and European history of that century the First World War the rise of Hitler the German church struggle resonates in the theological work of Barth He opposed National Socialism and criticized the naturalness with which the West got carried away in the Cold War rhetoric after the Second World War A beautiful accessible overview work for anyone who wants to get to know Barth better Oral Tradition Robert Loring Allen,2017-09-08 Oral traditions are historical sources of a special nature Their special nature derives from the fact that they are unwritten sources couched in a form suitable for oral transmission and that their preservation depends on the powers of memory of successive generations of human beings In many parts of the world inhabited by peoples without writing oral tradition forms the main available source for a reconstruction of the past Do the special characteristics of oral traditions u unwritten information dependent on the memory of successive generations u invalidate them as sources of historical data If not are there means for testing their reliability Professor Vansina shows in *Oral Tradition* that with knowledge of the language and of the society the anthropologist and historian can extract or deduce the historical content of oral testimonies Based on the author s many years of fieldwork in Africa this definitive work explores the possibility of reconstructing the history of non literate peoples from their oral traditions surveys existing literature offers a typology of oral traditions and evaluates methods of collection and interpretation On first publication Daniel McCall in the *American Anthropologist* called *Oral Tradition* a tour de force Indeed this may well be the most significant work written on the relation of oral tradition to history in thirty years for any field worker who intends to collect oral traditions this work is indispensable
