Extra Joker:

Extra Joker Nicky U. Fox,2002 This is the story of one civilian turning soldier during WWII Transferring from the Signal Corps to the Air Corps to be come a pilot After washing out and becoming a navigator and being sent to Italy to take his part in the war effort Then becoming a lead navigator and trading a pencil for a couple of Caliber 50 machine guns thereby flying in the nose turret of the lead ship meaning that he was the first person over the target it could not be surprising to get shot down and become a P O W It took six months to leave enemy territory and rejoin the U S Forces with the advancing 69th Division and then get home on VE Day

Genii ,1959 **Tommy** William T. White,2006-09-21 This autobiography is about a member of the greatest generation a life that began during the First World War and experienced the Great Depression World War II and the half century since It is not strictly a chronology but a telling of events selected for their interest and meaning In the first of four parts author William T White Tommy describes 18 years of pre World War II life in an Arizona mining town complete with its substantial race prejudice against Mexicans and even those non Mexicans who lived where Mexicans lived Tommy tells of an even more powerful prejudice variously religious and pseudo scientific directed against him and his family because of his sister s epilepsy Part II describes the author s experiences in World War II first as a B 17 navigator flying from England and North Africa and then serving in the Pacific as a radar bombardier for the B 29 attacks on Japan Part III covers twenty years service as a regular Air Force officer including three action packed years as a military attach in Communist Yugoslavia during the cold war Part IV describes a post military academic career that from many points of view contained events that are as interesting or even more so than those in military life Most of the chapters in the book are preceded by a brief small print note that is a brief quotation or personal comment usually relating to an event described in the chapter Taken together these notes constitute a theme both for the book and for the author s working life That theme is essentially that good and effective human organizations are those that are based fully on truth and sublimated to the combined best interests of those who own them work in them and or are served by them
