The Eye of Anna Anne Wingate,1991-02-21 *The Eye of the Seeker* Jessie Keith,2022-09-07 Anna surrounded by a world of laws and walls discovers she s the subject of a dark prophesy Plagued by a fate she doesn t understand she must leave everything behind to change her destiny and uncover the truth of who she really is **An Eye for an I** James Francisco Bonilla,2025-11-04 The personal story of a blind Puerto Rican boy in New York who transcends a harrowing childhood to become a lifelong advocate for social justice Jovencito it s going to be lonely being different and yet strong in this world James Francisco Bonilla s grandmother told him when he was ten He had come home after defending himself against a bully who had threatened him with violence making it clear that he didn t care that James was blind But despite the isolation James felt in childhood he would come to commit his life to leveraging his differences and strengths toward a collective fight for justice James s memoir *An Eye for an I* is an inspiring account of how he found a path through his own suffering to make a difference for others Born with congenital cataracts James had limited vision in his right eye and none in his left At age nine after a classmate hurled a horseshoe at his face in a racially motivated assault James s right eye was injured and he became legally blind At home too he feared physical violence experiencing the unpredictable outbursts of a single mother suffering from severe mental illness Throughout his youth as a Puerto Rican New Yorker James was continually failed by educational systems that exposed him to one abuse after another Searching for relief and inspiration he discovered an unexpected solace in the natural world spiritual encounters with Mother Earth that led him toward both personal healing and advocacy At nineteen a breakthrough in medical technology restored the sight in his right eye and James recognized his unique perspective on the struggles of the disabled and marginalized in American life and his intense will to make a difference He seeks to understand generational trauma and in documenting his growth physically mentally and spiritually his memoir exemplifies the introspection necessary to participate in truly equitable and effective movement building *An Eye for an I* presents both James and his aggressors with refreshing nuance and humility inviting readers to empathize be inspired and consider their own potential to be of service in a broken yet beautiful world Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions **Twilight** Ernst Rosmer,1912
