**Mulan's Adventure Journal** Rhona Cleary, 2020 An invisible enemy is threatening the Emperor's life inside the Imperial Palace walls and Mulan is the only one he trusts to help him. But among all the unspoken rules of the court, Mulan feels discouraged and hopeless. Can she rise to the Emperor's expectations, defeat the dark threat, and save China once again? Back cover

**Race and Resistance** Viet Thanh Nguyen, 2002-03-28 In *Race and Resistance: Literature and Politics in Asian America* Viet Nguyen argues that Asian American intellectuals have idealized Asian America, ignoring its saturation with capitalist practices. This idealization of Asian America means that Asian American intellectuals can neither grapple with their culture's ideological diversity nor recognize their own involvement with capitalist practices such as the selling of racial identity. Making his case through the example of literature, which remains a critical arena of cultural production for Asian Americans, Nguyen demonstrates that literature embodies the complexities, conflicts, and potential future options of Asian American culture.

Beyond Adaptation Phyllis Frus, Christy Williams, 2010-03-16 Some film and novel revisions go so far beyond adaptation that they demand a new designation. This critical collection explores movies, plays, essays, comics, and video games that supersede adaptation to radically transform their original sources. Fifteen essays investigate a variety of texts that rework everything from literary classics to popular children's books, demonstrating how these new stand-alone creations critically engage their sources and contexts. Particular attention is paid to parody, intertextuality, and fairy tale transformations in the examination of these works, which occupy a unique narrative and creative space.

**Fa Mulan** Robert D. San Souci, 2000 The best-selling true story behind the blockbuster Disney film is now in paperback

**Transpacific Displacement** Yunte Huang, 2002-02-06 Yunte Huang has produced a fascinating study of what he calls textual travelling, which is to say the transformation of poetic texts in this case Chinese ones at the hands of American scholars, editors, translators, and especially poets. This brave and highly original study is sure to raise controversy.

Marjorie Perloff, author of *Wittgenstein's Ladder*

*Women in Popular Culture* Marian Meyers, 2008 Following upon the success of her book *Mediated Women: Representations in Popular Culture*, the author's latest anthology takes a new look at a wide range of contemporary images of women within the media to examine the meanings behind the representations of women in popular culture. This book explores what representation of women says about their positions in society, the factors that shape representation, and the roles that gender, race, class, ethnicity, and sexual orientation play within the mediated portrayal of women. Drawing primarily on qualitative textual analysis of film, reality TV, advertising, the news, children's programming, soap operas, TV drama, and more, the book situates the representation of women in popular culture along a continuum ranging from stereotypical portrayals that underscore women's bodies as pornographic spectacle to more positive and hopeful depictions. And it argues that the contemporary portrayals of women within popular culture are shaped by two

major trends the mainstreaming of pornography and its resultant hypersexualization of women and girls and the commodification of those images for a global market

*Mulan* Jian Li (Art teacher), 2021 Mulan is a folk story from China's Northern Dynasty 439-589 about the unusual tale of an ordinary girl named Fa Mulan. This book is illustrated based on the original ballad which depicts her bravery through Chinese ink paintings. A long time ago in China there lived a young girl named Mulan. Her father was a retired general who taught her many skills girls weren't normally allowed to learn like martial arts archery sword play and how to ride a horse. One day soldiers came to Mulan's village. They told everyone China was in danger and that a man from each family must join the army and fight. Mulan was terribly upset. Her father was too old but was honor bound to fight. If only she had been born a boy. That night Mulan came up with a plan to save the honor of her family and her father's life. Early the next morning disguised as a boy Mulan took a horse and her father's armor before leaving to join the army. No one recognized her and Mulan was very careful to never let anyone know she was really a girl. Mulan's bravery courage and the skills she learned from her father helped her to succeed. Over twelve years Mulan fought against the threat to China before finally helping to win the war. When she was offered a reward from the emperor for her incredible courage Mulan instead asked for a horse so she could return home to her family. Mulan's family was so happy to see her. And there for the first time in twelve years Mulan exchanged her armor for a dress fixed her hair into an elegant girl's hairstyle and joined her family a beautiful young woman once again.

**The Big Aiiieeeee!** Jeffery Paul Chan, 1991 An Anthology of Chinese American and Japanese American Literature. When the first volume of this collection of Asian American literature appeared in 1974 it showed readers the roots and the richness of Chinese American and Japanese American writing. The authors called their anthology Aiiieeeee because that was the shout the scream often the only sound coming from the yellow man or woman in American movies television or comic books. But as that work demonstrated the Asian American writer long ignored and excluded from participating in American culture has an articulate and creative voice. The Big Aiiieeeee an entirely new and truly comprehensive collection brings together the earliest writings to appear in America such as the revealing *An English Chinese Phrase Book* used by the first generation of Chinese immigrants and recent stories and essays such as *Come All Ye Asian American Writers* by Frank Chin about the importance of Chinese and Japanese heroic tradition. Here we all can now learn of the pain the dreams the betrayals and the indelible sense of otherness of Americans of Chinese and Japanese descent in a seminal collection of poetry prose and drama writings filled with rage and beauty memory and vision. Here is a Gold Mountain of voices. In the telling and retelling of our stories we create a community of memory. This huge collection invites all of us to become listeners and to claim America.
