The Nomadic Church William M. Easum, Bill Easum, Pete Theodore, 2005 A guide to the opportunities and challenges facing churches that do not

own their property and what established churches can learn from them Across the country churches are forgoing purchase of land and construction of buildings choosing instead to rent space and allocate their resources to mission and leadership development These churches are faced with a number of challenges such as putting up and tearing down equipment every time they meet getting the word out especially to visitors on where the church will gather any given week and negotiating for additional space However being nomadic provides the church with many important opportunities including that it allows time to build the church as a community before building it with brick and mortar it builds serious disciples by calling on members to sacrifice and it frees funds to be used on mission rather than mortgages Writing for the leaders of portable congregations well as those of more established churches who want to learn from such churches Easum and Theodore have provided the definitive guide to ministry in the nomadic church Bill Easum is a President and Senior Managing Partner in Easum Bandy and Associates a church consulting and nurturing firm One of the most widely sought advisors on congregational health and vitality in North America he has over 30 years of congregational experience with approximately 25 years experience as pastor One of the most respected voices on emerging forms of ministry and congregational life he is the author of several books including *Unfreezing Moves* and *Put on Your Own Oxygen Mask First* both published by Abingdon Press Pete Theodore is Pastor of Teaching at Rolling Hills Community Church in Tualatin Oregon Missional Renaissance Reggie McNeal, 2009-02-03 Reggie McNeal's bestseller *The Present Future* is the definitive work on the missional movement i.e. the widespread movement among Protestant churches to be less inwardly focused and more oriented toward the culture and community around them In that book he asked the tough questions that churches needed to entertain to begin to think about who they are and what they are doing in *Missional Renaissance* he shows them the three significant shifts in their thinking and behavior that they need to make that will allow leaders to chart a course toward being missional 1 from an internal to an external focus ending the church as exclusive social club model 2 from running programs and ministries to developing people as its core activity and 3 from professional leadership to leadership that is shared by everyone in the community With in depth discussions of the what and the how of transitioning to being a missional church readers will be equipped to move into what McNeal sees as the most viable future for Christianity For all those thousands of churches who are asking about what to do next after reading *The Present Future* *Missional Renaissance* will provide the answer *The Neighboring Church* Brian Mavis, Rick Rusaw, 2016-08-02 New Leadership network title to be filled in at a later date by editor *Australian Slavonic and East European Studies*, 2003 **Your Mission, Should You Accept It--** Stephen Gaukroger, 1996 Here is a call for every believer to embrace Jesus' expectation that we all play a role in evangelizing the world Find out what the Bible says about reaching the world and what you can do about it Rediscovering the Jesus Story Matthew C.
