Eye Of Istar:

The Eye of Istar William Le Queux, 2019-12-10 In *The Eye of Istar* William Le Queux masterfully weaves a tale of adventure and intrigue set against the backdrop of the early 20th century. This novel combines elements of mystery, fantasy, and colonial exploration, showcasing Le Queux's distinct narrative style that seamlessly fuses atmospheric settings with rich character development. The story follows a quest for a legendary artifact, delving into themes of obsession and the clash of cultures reflective of the colonial tensions of his time. The book's striking imagery and vivid descriptions serve as a testament to Le Queux's prowess in crafting a compelling tale that resonates with readers yearning for escapism and intellectual curiosity alike. William Le Queux, a prominent figure in British literature, was known for his engaging narratives that often explored themes of espionage and the supernatural. His experiences as a journalist and his fascination with Eastern cultures greatly influenced his writing. Having lived in a time of political upheaval and scientific advancement, Le Queux's worldview informs the fantastical elements present in *The Eye of Istar*, allowing him to bridge the gap between reality and the exotic realms of imagination. I highly recommend *The Eye of Istar* for readers who appreciate an intricate blend of adventure and philosophical exploration. Its engaging plot and richly developed themes make it a timeless work that invites discussion and reflection. Le Queux's skillful storytelling will both entertain and inspire, making it a valuable addition to any literary collection.

Peace O Reader! Constant blessed and abundant salutations! Of a verity the groves of my hopes have been refreshed by cooling showers from the clouds of Allah's blessing; my rose garden has been weeded of the thorns of despondency and the tree of my prosperity has become fruit-bearing from the breeze of his bounty. He is the Giver of Gifts, the Source of Liberality, the Sovereign, the dust of whose sandals is deservedly the collyrium of the eyes of mortal men, and I called by my fellows El Motardjim, am the servatit who in compliance with the exalted command have placed my finger of acquiescence on the vision of obedience. During many hopeless nights I waited for the radiation of the sun of the benefits of prosperity and counted the stars till the rise of daitm, but by my ill luck and the machinations of enemies was deprived of the felicity of penetrating the mystery of the Land Forbidden. At length however on a happy day when the fire of my anguish burned so brightly that it was not easy to extinguish it with the water of patience, the Abolisher of the signs of darkness and aberration invested me with the robe of
