Faith And Prayer:

Lectures on the Prayer of Faith James Richards, 1832 **The Prayer of Faith** Carrie Judd Montgomery, Carrie Frances Judd Montgomery 1858 1946 was an evangelist faith healer and influential author How strange and sad it is she writes that when the Bible abounds in such rich promises for supplying the need both of soul and body that we should be languishing in either Let us together earnestly and prayerfully search God's Word and by its light dispel the mists of unbelief which prevent our seeing clearly the blessings which are only awaiting our grasp of faith *The Prayer Of Faith* Daniel Owusu Yeboah, 2019-01-29 In my years in the Prayer Ministry I have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help Thus in many instances the object of prayer praying to God has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries These men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers Their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them The power and true benefits are now shifting to false miracle working prayers Of course there is a place for and power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to God to experience his blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book *The Prayer of Faith Praying with Hope* is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the less we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on **Power to Pray** Don Andreson, 2012-05-08 There is or at least ought to be power in prayer The Bible after all is filled with stories of people who prayed and saw amazing results Jesus our Disciple besides praying often and with the clear expectation of results taught us to always pray and to never give up Yet too many of us lack the power to pray consistently and effectively Prayer is often a duty seldom performed instead of a living experience of connecting with heaven's power The Bible's true statement Faith without works is dead is also true when turned backward an absence of prayer in our life demonstrates the absence of faith in our heart faith in the actual

effectiveness of prayer as the Bible describes it If we pray God will act if we dont pray he wont The sole aim of Power to Pray is to increase this faith in all of us so that our Father who eagerly waits for us to pray can act on earth as in heaven The rest is up to you and the Holy Spirit My prayer is that the immense purposes of God will be accomplished through your simple prayers
