

Edwardus Rex quartus

Edward IV

Arturo Cuomo

Edward Iv:

Edward IV Keith Dockray,1999 Edward IV 1461 83 so often overshadowed by his younger brother and eventual successor Richard III is a controversial figure in his own right Was he a lazy and licentious lightweight who much preferred his mistresses to his misters and had little taste for the arduous day to day business of government Or was he rather a wise and successful monarch who laid the foundations for over a century of Tudor rule This documentary study presents contemporary and near contemporary sources for Edward IV and his reign enabling the reader to appreciate why the king s reputation has fluctuated so markedly *Edward Iv, England'S Forgotten Warrior King* Dr. Anthony Corbet,2015-01-21 As the 100 Years War ground to its dismal end England groaned under the misrule of Henry VI and his Lancastrian favorites The House of York rose in rebellion and Parliament restored York in the line of inheritance to the throne Edward Earl of March triumphed at the Battle of Mortimers Cross Parliament asked him to be King and the people proclaimed him Edward IV His life and legacy are chronicled in *Edward IV Englands Forgotten Warrior King* For ten years Edward struggled against repeated Lancastrian rebellions He was driven from his kingdom by Richard Earl of Warwick but then he won decisive victories at the Battles of Barnet and Tewkesbury in 1471 For another twelve years he reigned wisely with peace and prosperity as a beloved King but then he died at age forty one and his twelve year old son was proclaimed Edward V Richard Duke of Gloucester seized the throne and put young Edward and his brother in the Tower of London from where they never emerged alive Richard III was a good King and wanted to be respected but the people believed he had murdered the Princes in the Tower and would not forgive him Queen Elizabeth and Margaret Beaufort plotted with Henry Tudor who invaded England in 1485 Henry Tudor then defeated and killed Richard III at the Battle of Bosworth Field Henry Tudor Henry VII was crowned King and married Edward IVs daughter Elizabeth the resultant Tudor dynasty would rule England for another 118 years Edward IV Charles Ross,1997-01-01 Though in his own time Edward IV was popularly seen as an able and successful king who rescued England from the miseries of civil war and provided the country with firm judicious and popular government later historians cast doubt on his achievement This classic study now reissued with a substantial new foreword by R A Griffiths places the reign firmly in the context of late medieval power politics assessing the king s relations with the politically active classes and evaluating the many innovations in government on which Edward s reputation rests Revealing the king as an enigmatic character intelligent active and forceful but also pleasure loving and in his later years increasingly arbitrary and avaricious Ross endorses Edward as a ruler of substantial accomplishment whose methods and policies carved the foundation of early Tudor government The First and Second Parts of King Edward IV Thomas Heywood,2005-05-06 Yet the playwright produced a text which was at once generically complex the play blurs the distinction between chronicle history and domestic tragedy brilliantly assured in its dramatic craftsmanship and politically explosive The play depicts the streets and houses in which its original spectators lived and worked with a precision unprecedented in English writing But

this vividly realised London is under assault first from rebels outside its walls and subsequently and more seriously from the predations of two monarchs

Edward IV and the Wars of the Roses David Santiuste,2010-06-15 This fascinating account of an unsung English monarch and military leader is a pleasing and well informed appraisal of the first Yorkist king Dr Michael Jones author of *Bosworth 1485 Psychology of a Battle* Indisputably the most effective general of the Wars of the Roses in fifteenth century England King Edward IV died in his bed undefeated in battle Yet he has never been accorded the martial reputation of other English warrior kings such as Henry V It has been suggested that perhaps he lacked the personal discipline expected of a truly great army commander But as the author shows in this perceptive and highly readable new study Edward was a formidable military leader whose strengths and subtleties have never been fully recognized perhaps because he fought most of his battles against his own people in a civil war This reassessment of Edward s military skill and of the Wars of the Roses in which he played such a vital part provides fascinating insight into Edward the man as well as the politician and battlefield commander Based on contemporary sources and the latest scholarly research *Edward IV and the Wars of the Roses* stands as a valuable and thought provoking addition to the canon which ought to become required reading for anyone interested in the reign of the first Yorkist monarch

The Ricardian Edward IV & Elizabeth Woodville Amy Licence,2016-02-15 When Edward of York seized the English throne in 1461 he could have chosen any bride he wanted but it was the beautiful widow Elizabeth Wydeville who captured his heart A new assessment of the tumultuous life of the real White Queen and her husband

Edward IV Jeffrey James,2015 Few English monarchs had to fight harder for the right to rule than King Edward IV Shakespeare s glorious son of York Cast in the true Plantagenet mould over six feet tall he was a naturally charismatic leader Edward had the knack of seizing the initiative and winning battles and is free from the unflattering characterisations that plagued his brother Richard III having been portrayed as a good looking and formidable military tactician Described sometimes as reckless and profligate all sources remark on his personal bravery In the eleven years between 1460 and 1471 he fought five major battles in the Wars of the Roses Three of them Towton Barnet and Tewkesbury rank among the most decisive of the medieval period This book covers Edward s family background the Yorkist takeover and the drift to war It charts the tensions created by the controversial Woodville marriage and Edward s deposition by the Earl of Warwick and subsequent exile The return of the king brought with it battles anew and Edward s decisive campaigns against Warwick and Margaret of Anjou Finally Edward s sudden death heralded the demise of the House of York and the triumph of the Tudors against Richard III This is a history of Edward IV s struggle to gain and retain the kingship of England during a period of sustained dynastic turmoil during the Wars of the Roses

Edward IV (Penguin Monarchs) A J Pollard,2016-11-22 In 1461 Edward earl of March an able handsome and charming eighteen year old usurped the English throne from his feeble Lancastrian predecessor Henry VI Ten years on following outbreaks of civil conflict that culminated in him losing then regaining the crown he had finally secured his kingdom The years that followed witnessed a period of rule

that has been described as a golden age a time of peace and economic and industrial expansion which saw the establishment of a style of monarchy that the Tudors would later develop Yet argues A J Pollard Edward who was drawn to a life of sexual and epicurean excess was a man of limited vision his reign remaining to the very end the narrow rule of a victorious faction in civil war Ultimately his failure was dynastic barely two months after his death in April 1483 the throne was usurped by Edward s youngest brother Richard III *Historie of the Arrivall of Edward IV. in England, and the Finall Recouerye of His Kingdomes from Henry VI. A.D.M.CCCC.LXXI* John Bruce,2025-08-01 Reprint of the original first published in 1838 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Rise and Decline of the Medici Bank, 1397-1494 Raymond De Roover,1999 A classic history of banking and trade in the medieval period combining superb research and analysis with graceful writing The Medici Bank was the most powerful banking house of the 15th century Headquartered in Florence Italy it established branches in Rome Venice Geneva Lyons Bruges London and many other cities The bank served as financial agent of the Church extended credit to monarchs and facilitated international trade in Western Europe By their personal influence and the use of their profits the owners and administrators of the bank contributed significantly to the development of Florence as the greatest center of the Renaissance

Edward IV Keith Dockray,2015 Edward IV king from 1461 83 so often overshadowed by his younger brother and eventual successor Richard III is a controversial figure in his own right Was he a lazy and licentious lightweight who much preferred his mistresses to his ministers and had little taste for the arduous day to day business of government Or was he rather a wise and successful monarch who laid the foundations for over a century of Tudor rule This documentary study by the author of Richard III in the same series presents contemporary and near contemporary sources for Edward IV and his reign enabling the reader to appreciate why the king s reputation has fluctuated so markedly and provides an indispensable compendium for all who wish to enter the political world of Yorkist England

The Private Life of Edward IV John Ashdown-Hill,2016-11-15 Edward s secret mistresses clandestine affairs and the nature of his marriage are revealed in this exciting new work by John Ashdown Hill author of *The Mythology of Richard III*

Edward IV Hannes Kleineke,2025-08-11 Drawing together both recent research and original sources this concise and accessible biography reassesses the debates surrounding the life of King Edward IV The reign of King Edward IV occupies a pivotal place in late medieval English history marking the transition from a medieval to a renaissance monarchy yet there has been much controversy over the King s character Was Edward a vain and self indulgent playboy or was his life cut tragically short Offering readers insight into the latest scholarship this second edition has been updated and revised to include a wider consideration of the role of women at Edward s court including his mother Cecily of York as well as Edward s own attitude to women and family Kleineke also includes an extended discussion of Edward s legacy the government of England in the 1470s and the cultural history of the period As fascinating a character

now as he was for Shakespeare over four centuries ago Edward IV remains essential reading for all students of late medieval England the Wars of the Roses and all those interested in the history of monarchy more broadly The Household of Edward IV Great Britain,1959 *History of the Cutlers' Company of London and of Minor Cutlery Crafts: From early times to the year 1500* Charles Welch,1916 **A Concise History of the Common Law** Theodore Frank Thomas Plucknett,2001 Originally published 5th ed Boston Little Brown and Co 1956 **The Political History of England ...: The history of England from the accession of Richard II to the death of Richard III, 1377-1485** William Hunt,Reginald Lane Poole,1906 Edward IV and Elizabeth Woodville Amy Licence,2016-11-15 When Edward of York seized the English throne in 1461 he could have chosen any bride he wanted but it was the beautiful widow Elizabeth Wydeville who captured his heart A new assessment of the tumultuous life of the real White Queen and her husband **Plantagenet Ancestry: A Study In Colonial And Medieval Families, 2nd Edition, 2011** , General Report from the Board of Commissioners on the Public Records with an Appendix and Index. [1831-37 Great Britain. Record Commission,1837

The Top Books of the Year Edward Iv The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Edward Iv : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Edward Iv : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
