Forgotten Promises:

The Weight of Forgotten Promises Victoria Sandoval,2025-01-07 In the kingdom of Veritania nestled between whispering peaks and shrouded in perpetual twilight words hold a power unlike anywhere else Every vow every whisper every plea manifests as shimmering spectral script binding contracts enforced by the Pactkeeper a sentient entity born from a war fought with lies Once benevolent the Pactkeeper now feeds on the anguish of broken oaths tightening its spectral web around Veritania Niven Gallagher a young healer carries the weight of a broken promise that led to his sister s death Haunted by guilt and spectral chains he alone sees the Pactkeeper s suffocating net of shimmering vows Driven by a desperate hope for redemption he seeks out Carolyn Williams a disgraced historian exiled for daring to unearth Veritania s forbidden past Carolyn obsessed with outlawed semantics a forgotten language capable of rewriting the Pact itself sees in Niven a chance to reclaim her honor Their alliance pits them against Magistrate Sara Wheeler a woman whose unwavering faith in the Pact masks a deep personal tragedy For Sara the Pact is solace a shield against the chaotic world that claimed her son She hunts Niven relentlessly unknowingly playing into the Pactkeeper s insidious game As Niven and Carolyn delve into Veritania s hidden history they uncover the Pactkeeper s true nature a manipulative force thriving on the kingdom s rigid social hierarchy Their journey leads them to the desolate Shattered Realms a metaphysical prison where broken vows manifest as physical torments a chilling reflection of Niven s potential fate Carolyn s research reveals a forgotten language of metaphor and ambiguity a key to rewriting the Pact But wielding such power risks unleashing a force even more dangerous than the Pactkeeper Niven haunted by visions of his sister trapped within the Shattered Realms faces a devastating choice shatter the Pactkeeper and risk plunging Veritania back into chaos or rewrite the very fabric of language potentially unleashing an unknown power With the spectral script of his own broken promise burning brighter Niven must confront not only the Pactkeeper but also his deepest fears As Sara closes in their fates intertwine in a desperate race against time In the heart of Veritania s capital within a shimmering citadel of spectral script Niven must choose between silence and salvation between the fragile order of Veritania and the terrifying potential of the unknown His choice will determine not only his own fate but the destiny of an entire kingdom held captive by the weight of forgotten promises Forgotten Promises Miguel Bustos,2015-11-11 When Arthurs true heir follows him to Avalon he doesnt go alone He takes with him his closest friends and champions the Night Angels Instead of a haven they find themselves in a broken world full of magic danger and tyrants They set out to find a new home and a new destiny for themselves When they discover that their new home is on the verge of being lost to a warlord they move to stop him even though theyre not a match for him or his armies Death comes for us all and the Night Angels have never been ones to hide from an old friend Broken Promises Ullas Aparanji, Forgotten Promises Elle Brooks,2014-11-21 Saying I Promise is the easiest thing to do its just two tiny words No one warned me of the weight they hold that they not only have the power to make something to give hope or show devotion They can destroy everything

cause so much hurt ruin lives Every promise holds a toll if I had known what mine would cost me I would have walked away
Now I have to pay the price watch the consequences of my actions unfold Witnessing someone I love crumble after breaking
my oath isn't the hardest thing I've endured it's being forgotten by the one person that I could never forget *Broken*
