Which Fostoria crystal pattern goes best with your china?

Fine crystal, like your china and silver, is an investment in gracious living. It may well be for a lifetime. You'll want to choose carefully.

If you'd like guidance, you'll find trained store personnel who will be glad to help. In any case, an excellent way to choose is to make trial place settings right in the store. See your china, silver and crystal together, the way they'll be on your own table later. Choose the crystal pattern that's most beautiful by

itself—and most in harmony with the rest of the setting.

We hope that you'll decide on one of the many beautiful Fostoria patterns, perhaps one of the few we show here. Keep in mind that all Fostoria is fine crystal, made by hand. All patterns, from traditional to ultramodern, are in open stock. And each goblet is signed with a tiny "Fostoria" so you'll always know how to add to your collection.

Five-piece place settings, plus many serving pieces, are available at your favorite store. In open stock because they're made by the Fostoria Glass Company, Mountainville, West Virginia.

A work of Art worth signing... **Fostoria**
