A diamond is merely a lump of coal that endured tremendous pressure.

To know the road ahead, ask those coming back.

The master has failed more times than the beginner has even tried.

A wise man learns more from his enemies than a fool from his friends.

A flower does not compete with the flower next to it, it just blooms.

A small spark can ignite a great fire. Never underestimate the power of your actions.

A bird sitting on a tree is never afraid of the branch breaking, because its trust is not in the branch, but in its own wings.

A calm sea does not make a skilled sailor.

The best way to predict the future is to create it.

A diamond shines brightest in the darkest room.

The sun does not forget a village just because it is small.

A closed mind is like a locked door; it leads to nowhere.

He who knows patience knows peace.

A tree with strong roots laughs at storms.

The faintest ink is more powerful than the strongest memory.

The best time to seek forgiveness is before the sun sets.

A river is shaped by its tributaries; a person is shaped by their experiences.

The mirror reflects the face, but the heart reflects the soul.

A gentle answer turns away anger, but harsh words stir up wrath.

Fall seven times, stand up eight.

When the student is ready, the teacher will appear.

A wise man knows he knows nothing; a fool thinks he knows everything.

One hand alone cannot clap; it takes two to create harmony.

The highest form of wisdom is kindness.

A bird with a broken wing can still soar to great heights.

The greatest wealth is contentment with little.

A candle loses nothing by lighting another candle.

The true measure of a person is how they treat those who can do nothing for them.

The hardest battles are fought within oneself.

The river may be calm, but beneath the surface, great strength flows.

A problem shared is a problem halved.

The flame that burns twice as bright, burns half as long.

A rolling stone gathers no moss, but it also explores new horizons.

The true value of gold is not in its appearance but in its purity.

Words spoken in anger are like arrows that from a bow; they leave scars that are not easily healed.

It is better to light a candle than to curse the darkness.

The sweetest fruit is often found at the end of the most difficult climb.

A penny saved is a penny earned.

A closed mouth catches no flies.
