Rose,2012-05-08 I am Mom because of my nurturing parents My Grandparents Leroy and Roberta I wanted my children to realize that I didn't start life at 40 The knowledge of how to fairly delegate chores and to regulate video game usage did not happen by osmosis For my sake and theirs my children needed to know their family history So why not begin with me As a kid and a teenager I marveled at how Grandma and Grandpa although not proper English speakers had a way of explaining things So any words from their lips were right and true Nestled comfortably beneath the sofa I relished every word From my world view as a child there existed two categories Grandma and Grandpa and then everybody else Learn how I fought my way through adolescence the pains of fitting in and cynicism with the help and love of my grandparents and some well organized mischief

**Grandma's New Shoes** Gwendolyn Andrews,2016-02-08 *Grandma's New Shoes* is the reflections upon the life of a grandmother who inspired her children grandchildren and community through her selfless acts of love and kindness Born during the dark days of segregation in the deep South and little opportunity for women of color Juanita Edna Stokes was determined to not let the turbulent times nor the sudden death of her beloved husband stop her from walking in her faith and purpose Told from the memory of her granddaughter Reverend Gwendolyn Andrews *Grandma's New Shoes* is the story of divine love determination and the staying power of a pair of worn down brown shoes *Werner's Readings and Recitations* ,1904 *The Raging Grannies* Carole Roy,2004 Women fought against slavery and offered shelter to hunted runaways demanded economic justice for the starving or working poor raised their voices when rights were trampled raised their fists when their children were murdered Women's collective acts of resistance have played and continue to play a vital but often unacknowledged role in humanizing social political and economic policies To death danger and oppression women have frequently responded in life affirming ways their contributions concealed in invisibility and silence for too long without stories of resistance and opposition But no more This is the tale of the Raging Grannies Their beginning and growth the invention of their identity the educational and bold potential of their activism the values expressed in their actions and songs

and their impact on issues stereotypes media and people At a time when environmental destruction and war threatened when the growing chasm between poor and rich endangered justice a group of women stood up with courageous irreverence to denounce government lies corporate greed and short sightedness and in the process created a new cultural figure that challenged authority as well as stereotypes of women The Grannies distinctive approach is surprisingly popular and effective in sixteen years more than fifty groups of Raging Grannies exist across Canada in the United States and as far away as the UK Australia and Greece Greek Grannies call themselves Furies Their popularity reveals the power of creativity and humour which allow them to claim their space on the political scene refusing to be dismissed or ignored The Raging Grannies both records and celebrates this vibrant activism Bursting with adventures this is the tale of the Raging Grannies their beginning the invention of their identity and their impact on issues stereotypes media and people
