

### Package Tour

It is chosen by families, newly wed couples and pensioners.

#### Advantages:

- The holiday maker will know about the cost of the holiday in advance.
- The flight, accommodation, meals and entertainments are included in the price.
- Many packages offer facilities such as swimming pools, restaurants, bars, children clubs and activities such as cycling or tennis, so you will not get bored during your trip.
- A wide number of tour operators offering details to almost every corner of the world.

#### Disadvantages:

- you basically spend most of your time in the resort complex and you don't visit all the places
- You have to accept whatever the hotel offers (either good or bad services)
- You might be cheated by travel agency (in some cases the hotel is not paid by the travel agency or the services are not equal to those you have expected).

### Benefits of package tour

It is chosen by families, newly married couples and pensioners.

- A package tour is organised at a fixed price which includes the cost of travel, hotels, food...etc
- You do not have to worry about making hotel or transport reservations.
- It is the tour operator who manages weather delays or any other travel problems.
- It's more secure.
- The holiday maker will know about the cost of the holiday in advance.
- The flight, accommodation, meals and entertainments are included in the price.
- Many packages offer facilities such as swimming pools, restaurants, bars, children clubs and activities such as cycling or tennis, so you will not get bored during your trip.
- A wide number of tour operators offering details to almost every corner of the world.

**Benefits of travelling:** escaping from stress-opens the horizons-teaches us tolerance-enjoying new landscapes and sightseeing-discovering new civilisations and traditions-make new acquaintances-taste other types of food....etc

### Space tourism

#### Advantages:

- It's a personal experience
- It satisfies the human desire of adventure.
- It's an opportunity to live a rare experience of weightlessness.
- It's good for humanity/ Part of scientific research.
- There is a possibility to find human-like species in the outer space.
- Discover an all-new world.
- Find new precious materials.
- Explore and see amazing places that you have never seen before.
- Thanks to it, we have thousands of satellite channels broadcasting around the world.

#### Disadvantages:

- It's a dangerous experience (risk of death, flying in the outer space is not safe).
- It's unfair: only the well-to-do (rich) can enjoy that experience / the poor are deprived of that dream.
- It is costly and a great waste of money and that priority should be given to our problems down on earth like poverty, illiteracy, starvation and so on.
- ⇒ The rich are splurging billions of dollars to satisfy their silly personal whims while millions of children are starving to death in poor countries.

### Drawbacks of package tour

- Travelling with a crowd of noisy people make the journey boring.
- The services may turn out to be different from the ones advertised.
- Some people want to make their personal accommodation bookings.
- The majority of people who go on a package tour are generally very poor, so they may miss some entertaining activities.
- you basically spend most of your time in the resort complex and you don't visit all the places
- You have to accept whatever the hotel offers (either good or bad services)
- You might be cheated by travel agency ( in some cases the hotel is not paid by the travel agency or the services are not equal to those you have expected).

**A topic:** Last week, you went on a package tour. However, you were dissatisfied with the facilities included in this holiday as well as the hotel accommodation. So, you decided to write a letter to the travel agency to complain about that bad holiday and show your disappointment and ask for compensation.
