## **Essential Dickinson:**

*The Essential Dickinson* Emily Dickinson, 1996-11-01 Emily Dickinson saw fewer than twenty of her 1 775 poems published during her lifetime when she died in 1886 her obscurity as a poet was nearly total Now widely recognized as one of the great American poets of the nineteenth century she is one of a handful from any period whose enduring stature in the world of letters is matched by the loyal affection of generation after generation of readers In this distinguished addition to The Essential Poets series Joyce Carol Oates presents a personal yet not private collection of Dickinson favorites selecting from relatively obscure works as well as better known poems to illuminate Dickinson s often unacknowledged range Oates takes care to introduce us to the poet s subversive playfulness to her rebellious nature and radical aesthetic to her gender bending persona and surprisingly wicked humor At the heart of this collection of course stands the work that made Dickinson s reputation as one of America s great visionary poets an artist who has written with stoic control and astonishing lucidity about the soul s darkest most terrifying hours A concise and illuminating introduction to the work of an essential poet *The Essential Dickinson* is also an extraordinary tribute from one remarkable woman and writer to another It confirms once again that great art endures in Auden s striking phrase in the guts of the living **Essential Dickinson** Emily

Dickinson, 2006-03-14 From the introduction by Joyce Carol Oates Between them our great visionary poets of the American nineteenth century Emily Dickinson and Walt Whitman have come to represent the extreme idiosyncratic poles of the American psyche Dickinson never shied away from the great subjects of human suffering loss death even madness but her perspective was intensely private like Rainer Maria Rilke and Gerard Manley Hopkins she is the great poet of inwardness of the indefinable region of the soul in which we are in a sense all alone *The Essential Emily Dickinson* Emily

Dickinson, 2016-11-08 SELECTED AND INTRODUCED BY JOYCE CAROL OATES Between them our great visionary poets of the American nineteenth century Emily Dickinson and Walt Whitman have come to represent the extreme idiosyncratic poles of the American psyche Dickinson never shied away from the great subjects of human suffering loss death even madness but her perspective was intensely private like Rainer Maria Rilke and Gerard Manley Hopkins she is the great poet of inwardness of the indefinable region of the soul in which we are in a sense all alone **Essential Poems** Emily Dickinson, 2025-08-05 A

**The Selected Poems of Emily Dickinson** Emily Dickinson,2016-10-17 This enthralling collection contains more than 400 poems that were published between 1886 the year of Emily Dickinson s death and 1900 which express her concepts of life and death of love and nature

**Political Prayer in Nineteenth-Century American Literature** Amy Dunham Strand,2024-09-30

Political Prayer in Nineteenth Century American Literature explores how American women writers such as Catharine Maria Sedgwick Harriet Beecher Stowe Rebecca Harding Davis and Emily Dickinson translated petitioning a political form for redress of grievances with religious resonance or what Strand calls political prayer in their literary works At a time when petitioning was historically transforming governments mobilizing masses and democratizing North America these White women writers wrote literary petitions to advocate for others in social justice causes such as antiremoval antislavery and labor reform to transform American literature and culture and to articulate an ambivalent political agency

Political Prayer in Nineteenth Century American Literature introduces historic petitioning into literary study as an overlooked but important new lens for reading nineteenth century fiction and poetry Understanding petitions in these literary works and these literary works as petitions also helps us to understand women s political agency before their enfranchisement to explain why scholars have long debated and inconsistently interpreted the works of well anthologized women writers and to see more clearly the multidimensional coexisting and often competing religious and political aspects of their writings

**Genius of the People** Charles L. Mee Jr.,2014-08-05

Charles Mee has recreated the vivid drama of 1787

Genius of the People is an absorbing look at the incomparable personalities who brought us our Constitution

Michael Beschloss

Genius of the People is a timely account of the birth of America s national government during the Constitutional Convention of 1787

Charles L Mee Jr vividly describes the personalities issues conflicts compromises and implications of an epoch making meeting of brilliant and not so

brilliant political leaders whose vision and shortsightedness still direct our lives today     **Lobb's theological quarterly**
