Ain't My America Bill Kauffman, 2008-04-15 From the finest literary stylist of the American right a surprising and spirited account of how true conservatives have always been antiwar and anti empire Allan Carlson author of *The American Way* Conservatives love war empire and the military industrial complex They abhor peace the sole and rightful property of liberals Right Wrong As Bill Kauffman makes clear true conservatives have always resisted the imperial and military impulse it drains the treasury curtails domestic liberties breaks down families and vulgarizes culture From the Federalists who opposed the War of 1812 to the striving of Robert Taft known as Mr Republican to keep the United States out of Korea to the latter day libertarian critics of the Iraq war there has historically been nothing freakish cowardly or even unusual about antiwar activists on the political right And while these critics of U S military crusades have been vilified by the party of George W Bush their conservative vision of a peaceful decentralized and noninterventionist America gives us a glimpse of the country we could have had and might yet attain Passionate and witty *Ain t My America* is an eye opening exploration of the forgotten history of right wing peace movements and a clarion manifesto for antiwar conservatives of today *The Essentials of American Government* Francis Newton Thorpe, 1922 **Power**, 1919 **Spiritual Perspectives on America's Role as a Superpower** Editors at SkyLight Paths Publishing, 2013-09-13 Are we the world's good neighbor or a global bully This timely book provides us with an opportunity to pause and reflect on what may be the most pressing issue of our day What are America's global responsibilities as the only remaining superpower What should we be doing with our resources energy talent and strength What shouldn't we be doing Those of us who live with spiritual convictions or who worship in religious communities sometimes have the opportunity to hear from the pulpit from the bima in the prayer hall in the zendo or elsewhere what one spiritual leader believes on these issues This book is for those of us who want a variety of opinions for those of us who want to understand the issues more deeply and make up our own minds from the Introduction *Spiritual Perspectives on America's Role as Superpower* invites you to explore these essential questions with sixteen of today's most profound religious and spiritual teachers Coming from a wide variety of faiths including Protestant Catholic Muslim Jewish Buddhist Vedantist and interfaith traditions this intriguing volume's contributors bring a crucial point of view to the already intense national debate centering on America's place in the world that of spirituality An invaluable resource for those wishing to better understand varied spiritual viewpoints on America's role as superpower these thought provoking original essays provide a lucid introduction to the historical moral and theological aspects of this controversial issue *American Industries*, 1913 [Workshops of Empire](#) Eric Bennett, 2015-10-15 During and just after World War II an influential group of American writers and intellectuals projected a vision for literature that would save the free world Novels stories plays and poems they believed could inoculate weak minds against simplistic totalitarian ideologies heal the spiritual wounds of global catastrophe and just maybe prevent the like from happening again As the Cold War began high minded and well intentioned

scholars critics and writers from across the political spectrum argued that human values remained crucial to civilization and that such values stood in dire need of formulation and affirmation Creative writing emerged as a graduate discipline in the United States amid this astonishing swirl of grand conceptions Workshops of Empire explores this history via the careers of Paul Engle at the University of Iowa and Wallace Stegner at Stanford In the story of these founding fathers of the discipline Eric Bennett discovers the cultural political literary intellectual and institutional underpinnings of creative writing programs within the university Book jacket Constancy and Change in American Foreign Policy Henry Kissinger,1975 **The Lincoln Library of Essential Information an Up to Date Manual for Daily Reference, for Self Instruction, and for General Culture Named in Appreciative Remembrance of Abraham Lincoln, the Foremost American Exemplar of Self Education** ,1924 The Lincoln Library of Essential Information ,1929 **State Board Journal of America** ,1905 Commercial America ,1918 *The Politics of Jesus* Obery M.
