Find Us Faithful:

Find Us Faithful David Olford,2009 A unique study of leadership based on the Apostle Paul s farewell address to the church elders of Ephesus found in Acts 20 17 35

May All who Come Behind Us Find Us Faithful Bob Russell,1995 The church of Jesus Christ is always just one generation away from extinction In a world filled with increasing challenges to the Christian faith we cannot assume the next generation will automatically embrace it

My Little Visits With God Corrected Ellen Landreth,2016-03-30 This book is a result of years and years of blogging my interaction with God as I worked my way through the pages of the New Testament It gave me a joy unspeakable and full of glory As I wrote I prayed for those who would read my words especially my children grandchildren and future generations

Thomas Chandy Dr Margaret Thomas Chandy,Varghese Chandy,2020-07-01 This book is a tribute to a man who was born and raised in an unassuming Kerala town rose up the corporate ladder only to leave it all behind to help found Save The Children India working towards better living and rights for the most vulnerable children of India The book brings together many memories and anecdotes shared by family friends colleagues industry doyens corporate heads intellectuals and theologians who knew him loved him or who held his work ethics and life principles in high regard

Come, Walk With Me Edith Adrian Matthies,2018-01-04 This writing began as a light retrospective narration walking through remembrances common to many who grew up in prairie farming communities in the last seventy years The walk continued through life s experiences which were in turn challenging or hilarious poignant or bitter and probably not highly unusual It became apparent to the writer that a benevolent Presence had been the constant companion in the journey In order to overcome inherent obstinacy the Spirit of God nudged pulled coaxed and even pushed as was needed The writer was able to invariably choose joy in the culmination of her life s experiences because of the deep love she experienced from her Heavenly Father As a result this writing evolved from a collection of vignettes into a spiritual biography written with introspective vulnerability for the enjoyment and contemplation of her children her grandchildren and all those who were part of her journey

Silent Strength Glenn T. Collard,2025-11-14 Much has been written about how men in modern culture have lost their way Masculinity has become toxic and far too common on many levels Anger rage and violence rule too many lives and ruin too many homes What has happened to men They were created to be leaders and should be models for their families and communities This behavior is life gone bad from the start Men tend to parent their children the same way they were parented But there is hope for positive and permanent change Offered here is a pathway to lead men away from the behavioral stupor that binds them This process will help them see where they fall short It can help define a new goal to become the mature men God created them to be In addition everyone leaves some kind of legacy after they are gone but the question is whether that is the way one wants to be remembered Silent strength is positive power under control and readers will be challenged to develop a model of legacy for those who follow after they are gone
