Fire My Parents Story:

Fires Mary B. Woods, Michael Woods, 2007-01-01 Fire is one of the earth's most devastating forces. Fire has many causes from a stroke of lightning to a carelessly dropped match. And once a fierce blaze begins it can swallow forests, homes, and entire towns. A forest or city fire can be a catastrophe for people and their property as well as for animals and the environment. With dramatic images and first-hand survivor stories plus the latest facts and figures, this book takes you up close with fire disasters.

Fire! Jessie Haas, 1998 Describes a nighttime fire in a country house in Vermont in 1948 and the struggle of the residents to save their belongings.

Jennifer Lawrence: Girl on Fire - The Biography Nadia Cohen, 2016-03-03 JENNIFER LAWRENCE is the reigning queen of lots of things: Hollywood, the awkward award ceremony, stumble and hundreds of priceless BuzzFeed pages to name a few. She announced herself to the world at a young age in *The Burning Plain* and *Winter's Bone*, gripping dramas set in America's deprived heartland. Ironic then that such a gifted character actress has become a household name through two of the biggest fantasy roles in the business: the deadly shapeshifting assassin Mystique from Marvel's *X-Men* series and the gutsy warlike heroine of Suzanne Collins' bestselling *Hunger Games* trilogy, Katniss Everdeen. As Katniss and Mystique, she owns the screen, oozing grace, attitude, and menace, redefining the roles of women in action films as more than ragdolls to be saved by muscle-bound men. This girl doesn't need saving by anyone. But Jennifer couldn't be more different off-screen. Always ready with a smile or a quip about embarrassing everyday struggles, she is loved by millions for being a genuinely relatable personality in an industry of preening posers. And make no mistake, she has had every reason to lose her sunny disposition. She struggled early on in her career with a hurtful "fat actress" label in spite of her healthy body type and suffered public heartbreak with the likes of Coldplay's Chris Martin. In 2014, she was to suffer the ultimate indignity of having private photos leaked onto the internet for all to see. A lesser girl might have become spiteful, but Jennifer has always emerged with her head held high. This is the first biography of an Academy Award winner, a star of our screens for years to come, and a role model for girls and young women everywhere. In every sense, this really is the story of a Girl on Fire.

Citadels of Fire K.L. Conger, 2017-03-28 In a time of madness, is love worth the risk? As a maid in the Kremlin Palace, Inga is mostly invisible. Courtiers are likely to use and discard her if she lets them. A lesson she learns when her best friend is brutally attacked: Inga steers clear of romance, intrigue, and men in general afterwards. It makes for a lonely life, but invisibility is the key to safety. As a boy in the Kremlin, Taras lost his mother to mysterious circumstances. He returns as a man to discover what really happened. Closed-mouthed courtiers make his task difficult. Dangers mount as Tsar Ivan IV, called Terrible, slides toward insanity. The opulence of Ivan's court hides deadly secrets, and Taras must turn to the muddy streets of Moscow to learn the truth. When a brutal courtier sets his eyes on Inga, she turns to Taras for help. He pretends to take her as his mistress to save her from Sergei's dangerous bed. It's a compromising situation, but before long, true sparks ignite between them. Inga must decide if happiness with Taras is worth
