Finding Love in a Cold World Sheldon Cholst,1991-05-01 Dr Sheldon Cholst a psychiatrist provides answers for such questions as Why do over 50% of Marriages Fail Why is Love so difficult to obtain Why does Nature want us to make poor choices of mates how can we change Nature find love His studies reveal that Natural Selection encourages defective judgement in mating relationships in order to promote increased variety in offspring This book tells how why Evolution developed as a totalitarian philosophy that limits individual freedom love relationships for the theoretical benefits to the species that was desirable in the past but is now only antiquated useless serves to lessen human capacity for love life Love occurs where two people can but do not hurt each other two humans who don t bug each other at least 90% of the time on the average Nature fears this for this means choosing mates with similar behavior patterns the consequent danger of cloning rather than diversity The book shows how to determine in advance significant personality characteristics to make for a loving happy relationship that lasts Nature wants humans to struggle for existence without love happiness this book shows how to change the way we are subconsciously programmed The strength of the book is in the case material in giving people a longer perspective than many of them have in the fact that he is willing to stick his neck out define his terms suggest answers to some of the down to earth questions they ask him Elaine Morgan British TV Dramatist author *The Descent of Woman* The book can be found at or ordered from bookstores or from Beau Rivage Press 7 East 14th Street Suite 1112 New York NY 10003

Troll Poems From My Soul Daniel Clark,2015-03-11 I love to do things with words and poetry is what comes from such playing with words Most of my poems are just my mind playing with my heart s thoughts Some of my poems come from life experience and others from nature or things that happen in life In putting this book together I found many of my poems are liked for they are written in words that everyone can read and understand I dream one day to hear someone say I read that poem and loved it Nothing would make me more proud than to know my poems touched someone s heart in a good way To write poems and not know if people will ever read them is a sad thought Love is the power that moves the world No matter if it is heartbreak or true passion love has the power to be the strongest influence in our lives Not all my poems are love poems There are also poems of remembrance for the men who have laid down their lives for freedom or in the line of duty So please read my words and enjoy them for what they mean and say to you I would love to be thought of as a man who had love in his soul and touched another s heart in some way
