

Week 6 – Finding and Using the Law

SOURCES OF LAW:

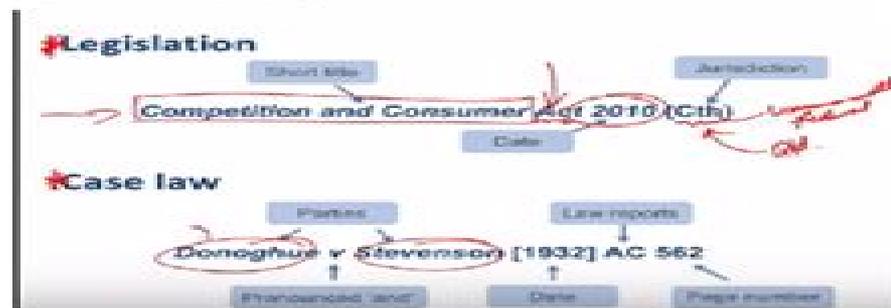

1. Law made by Parliament (the legislature)
 - Called legislation, statute or an act of parliament
 - Parliament can delegate its law-making power to another body – called delegated legislation
2. Law made by the courts (the judiciary) – Common Law (sense 2)
 - Recorded decisions of judges are usually published
 - The doctrine of precedent says that other courts need to follow what the other judges decided in a superior court
 - When the courts make a decision, they are making law
 - if there is a conflict between legislation and case law, legislation prevails.

Relationship between the sources:

- Some areas of law rely on legislation; however some rely on case law, and some are a mix
- Australian consumer law – legislation
- Contract law – case law
- Negligence – mix of both

Legal material: (we focus on) Sources of law → Primary legal materials → legislation and case law

READING THE LAW:

Case law – plaintiff then defendant (Nick vs Smith; Appeal = 1st appellant, 2nd respondent (Smith vs Nick

Case reports:

- Can be anything from half a page to more than 500 pages – length depends on how many judges are expressing their own opinion, and the complexity of case
- When a judge makes their decision, they give the decision AND how they reached the decision (important as it leads to ratio/doctrine of precedent)

Finding Reading And Using The Law

K Morrison

Finding Reading And Using The Law:

Yeah, reviewing a book **Finding Reading And Using The Law** could be credited with your near associates listings. This is just one of the solutions for you to be successful. As understood, realization does not suggest that you have extraordinary points.

Comprehending as skillfully as harmony even more than supplementary will meet the expense of each success. adjacent to, the proclamation as competently as perception of this Finding Reading And Using The Law can be taken as capably as picked to act.
