reader on their journey from the initial diagnosis of Linda's breast cancer through the first year of treatment. Along the way they share the thoughts, feelings, questions, and experiences that lead them to choose light, love, and life fully embraced in the present moment. Cancer patients, survivors, family members, and caregivers, as well as anyone facing unexpected professional or personal challenges, will find comfort and inspiration in the passages that document the decisions they faced, the milestones they crossed, and the lessons they learned with grace, humor, and gratitude. Dr. Michelle Beauclair, Associate Professor of French Francophone Studies and Author, Seattle Pacific University, is totally engaging from the very first page. I couldn't put this book down. Linda writes fearlessly about her battle with cancer, the invasive treatments, and their many side effects, all while extracting meaning and sometimes surprising observations from her experience with the disease. Adding context and providing the caregiver's point of view, her husband Hank shares his unwavering love, encouragement, as well as feelings of helplessness through poetry and anecdotes from their lives. As we follow their adventures together, we are left with hope, light, and a strong urge to live a fulfilling life. Jaeha Choi, Playwright, Stage Director, Entrepreneur, and International Educator, shares her self-reflections and observations about who we are as people and, more importantly, who we can be. It is inspiring. Linda moves beyond herself and shows that this is not the story of a cancer survivor; it is the story of all of us of getting through life with compassion and of knowing that life is for living. Gerald Williams, Playwright, Author, **He Cares - New Testament with Psalms and Proverbs**, 2007. People facing serious and even life-threatening illnesses usually have something in common: we pray for the cure. *He Cares* is a book about someone who not only cares about your diagnosis and prognosis but has the power to meet your deepest needs. Inside you will find God's encouraging message to those who are suffering. It's a message of hope and healing. And it's filled with promises and perfect peace. Why? Because He cares.

**Pillars of Joy in Marriage** Dr. Nozipho N. Nxumalo, 2018-04-17. Dr. Nxumalo has since operationalized her passion by penning a how-to manual, *Pillars of Joy in Marriage*, to revitalize marital relationships in the physical, emotional, and spiritual domains. Her book contributes to an army of authors who endeavor to win the silent battle of the mind against the marriage institution by sharing her story of how God's GPS has guided her own marriage journey through the years. Dispelling the illusion of euphoric happiness in marriage, assuring readers of an attainable joy in marriage despite the turbulence the enemy throws at us, urging couples to look forward to the coming of the Bridegroom, Jesus Christ, the true Prince Charming who will take His Bride, the Church, to the never-ending honeymoon in a death-free world made new and where pre-sin condition is restored. There is a lot to like in Dr. Nxumalo's manuscript: 1. her wholesome and practical approach to marital success; 2. her very incisive overview of the significant differences between happiness and joy; 3. her insistence on the reader's attention to the how-tos of success; 4. her use of both Scriptural and personal illustrations; 5. language richly flavored with the royalty elements of her native South Africa; and 6. a writing style that reflects her cheerful and progressive personality. It's a good read, impressively done. Calvin B. Rock, Ph.D. Dr. Nxumalo writes about marriage as ministry, drawing

from a wellspring of poignant riveting but everyday examples cumulating a 50 year marriage The book s voice humorous and humbling is that of a girlfriend a mature Christian a cosmopolitan world citizen well schooled in the vicissitudes of this life but with a focus on life eternal Dr Nxumalo gives advice that is memorable and assessments that are measurable a must read for marital success Attorney James C Dr Valerie B Lee I have been in ministry for over 30 years and read a lot of material on marital relationships but Dr Nxumalo s approach really held my interest and came from a totally new perspective of investing in your marriage capital was new and refreshing Well done Pastor Sam Rowena Davis Thank you for the opportunity to edit Pillars of Joy in Marriage a guide that promises to help readers examine themselves and their marriages to determine what behavioral and spiritual adjustments to make to create a fulfilling God centered relationship With a great deal of advice numerous personal testimonies and plentiful relevant Bible verses your how to instruction is grounded in spiritual principles and has authority Editor for WestBow Press
