Education and the Political System Byron G. Massialas,1969 *Education and the Political Order* Ted Tapper,Brian Salter,1978-03-16 **Resources in Education** ,1999 **Education and National Development** Ingemar Fägerlind,Lawrence J. Saha,2014-05-20 *Education and National Development A Comparative Perspective* discusses the correlation between education and national development The book is comprised of nine chapters that cover several concerns regarding the subject matter such as the theoretical underpinning dimensions policies and practice The first chapter discusses the origins of modern development thought while the second chapter talks about how formal schooling can serve as an agent of change Chapters 3 4 and 5 cover the various dimension development which are economic growth employment quality of life and political system Chapter 6 discusses strategies for educational reform while Chapter 7 deals with the evaluation of development policy The eighth chapter provides a comparative discourse about education and development under capitalism and socialism Chapter 9 talks about education the state and development The book will be of great interest to readers concerned about how education correlates with national development **Citizenship Education in China** Kerry J. Kennedy,Gregory Fairbrother,Zhenzhou Zhao,2013-10-15 There is a flourishing literature on citizenship education in China that is mostly unknown in the West Liberal political theorists often assume that only in democracy should citizens be prepared for their future responsibilities yet citizenship education in China has undergone a number of transformations as the political system has sought to cope with market reforms globalization and pressures both externally and within the country for broader political reforms Over the past decade Chinese scholars have been struggling for official recognition of citizenship education as a key component of the school curriculum in these changing contexts This book analyzes the citizenship education issues under discussion within China and aims to provide a voice for its scholars at a time when China s international role is becoming increasingly important **A Cyclopedia of Education** Paul Monroe,1913 **Educational Review** Nicholas Murray Butler, Frank Pierrepont Graves, William McAndrew,1917 Vols 19 34 include Bibliography of education for 1899 1906 compiled by James I Wyer and others *The Economy of Education* William A.
