Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 11: Khayyami Robaiyat: Re-Sewing the Tentmaker's Tent: 1000 Bittersweet Wine Sips from Omar Khayyam's Tavern of Happiness Mohammad H. Tamdgidi,2024-10-25 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 11th volume subtitled Khayyami Robaiyat Re Sewing the Tentmaker s Tent 1000 Bittersweet Wine Sips from Omar Khayyam s Tavern of Happiness Each book independently readable can be best understood as a part of the whole series In Book 11 having shared the three parts of the Robaiyat attributed to Khayyam in the Books 8 9 and 10 of the series Tamdgidi offers the entire set of the 1000 quatrains

including the Persian originals and his new English verse translations for each The poems comprising Khayyam's songs of doubt hope and joy are organized according to the three phased method of inquiry he introduced in his philosophical writings respectively addressing the questions Does Happiness Exist What Is Happiness and Why Does or Can Happiness Exist When Khayyam discussed the three phased method of inquiry in his treatise Resalat fi al Kawn wa al Taklif Treatise on the Created World and Worship Duty he noted an exception to the rule of asking when studying any subject whether it exists what it is and why it exists or can exist He distinguished between things objectively existing independent of the human mind and those created by the human mind The normal procedure applies to the former but for products of the human mind he advised the procedure must be modified to asking first what something is then whether it exists and then why it exists or can exist This is because for products of the human mind such as created works of art we would not know whether something exists and why it exists unless we first know what it is To illustrate his point he used the example of the mythical bird Anqa Simorgh in Persian or the Phoenix in English He argued that only when we know what the metaphor stands for would we be able to say whether it exists say in a work of art or even as a person represented by it and why it exists or can exist Khayyam's elaboration implies that one has to make a distinction between objective and human objectified realities which implies that for some objects such as happiness we in fact confront a hybrid reality where aspects of it may be externally conditioned but other aspects being dependent on the human will Once we realize the significance of Khayyam's point then we appreciate that his Robaiyat can also be regarded as a way of poetically portraying and advancing human happiness its poetic Wine being not just reflective but also generative of the happiness portrayed By way of his poetry therefore Khayyam has offered a severe critique of the then prevalent fatalistic astrological worldviews blaming human plight on objective conditions in favor of a conceptualist view of reality in which happiness can be achieved despite the odds depending on the creative human agency itself being an objective force Tamdgidi further shows that the triangular geometry of the logic governing Khayyam's Robaiyat the numerical values of whose three sides are proportional to the Grand Tent governing Khayyam's birth chart further supports the view expressed in Khayyam's own quatrains that for him his Robaiyat poetically represented the tent of which he regarded himself to be a tentmaker revealing another key explanation for his pen name The geometric structure of a tent proportional to the Grand Tent of Khayyam's chart as well as the metaphor of the Robaiyat as Simorgh songs are hidden in the deeper structure of Khayyam's 1000 piece solved puzzle the same way he embedded his own triangular golden rule in the design of the North Dome of Isfahan Khayyam's Robaiyat are his Simorgh's millennial rebirth songs served in his tented tavern as 1000 sips of his bittersweet Wine of happiness

The Kenyon Review John Crowe Ransom, 1957 **The Chess Master** Pauline W. Mansfield, 2009-07-24 The Chess Master started as a challenge to the author's son to write a book about his passion the game of chess The challenge then became her challenge to deliver a message about our need to surrender to what God knows is best for us This book gives a unique comparison of the game of chess to real life Each piece

on the chessboard mirrors our lives as relates to our Mothers Fathers our homes the church ourselves as workers and our Protector By sharing personal stories the author takes us on a journey across the board of life This authors personal mission is to touch and change the lives of readers by helping them to see ways in which to improve their lives through prayer commitment to God and surrender to His will Against All Odds William B. Helmreich,1992 The first comprehensive study of the Holocaust survivors who came to America Against All Odds reveals that these men and women triumphed over adversity and built rich and rewarding lives More than superb history the book is an extraordinary and inspiring glimpse of the human spirit s power to overcome tragedy and despair

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 9: Khayyami Robaiyat: Part 2 of 3: Quatrains 339-685: Songs of Hope Addressing the Question "What Is Happiness?" Mohammad H. Tamdgidi,2024-10-25 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 9th volume subtitled Khayyami Robaiyat Part 2 of 3 Quatrains 339 685 Songs of Hope Addressing the Question What Is Happiness Explained with New English Verse Translations and Organized Logically Following Omar Khayyam s Own Three Phased Method of Inquiry Each book independently readable can be best understood as a part of the whole series In Book 9 Tamdgidi offers the second of a three part set of 1000 quatrains he has chosen to include in this series from a wider set that have been over the centuries attributed to Khayyam Part 2 includes quatrains 339 685 for each of which the Persian original along with Tamdgidi s new English verse translation and a transliteration for the same are shared Each quatrain is indexed according to the frequency of its inclusion in manuscripts the earliest known date of its appearance in them the extent to which it has wandered into other poets works and its rhyming scheme Brief comments about the meaning of each quatrain in relation to other quatrains and works attributed to Khayyam are then offered along with any notes regarding its new translation as shared Tamdgidi shows that the quatrains 339 685 address the question What Is Happiness The latter is the second of a set of three methodically phased questions Khayyam has identified in his philosophical works as being required for investigating any subject The order in which the quatrains are presented shows that the quatrains included in Part 2 follow a logically deductive reasoning process through which Khayyam advances in the causal chain of moving from methodological to explanatory and practical quatrains by way of addressing the question noted above The thematic topics of the quatrains of Part 2 as shared in Book 9 are X The Drunken Way XI Willfulness XII Foes and Friends XIII Wealth XIV Today XV Pottery XVI Cemetery and XVII Paradise and Hell Khayyam begins with reflections on God s created world suggesting that its unitary existence cannot be understood using either or dualistic lenses where the ways of knowing by the head the heart and senses are pursued separately Instead he advocates building on the idea of the Wine trope discovered in Part 1 a Drunken way by which he means a unitary way of knowing symbolized by the spiritual indivisibility of Wine in contrast to the fragmentations of the grapes He then embarks on a deductive method of emphasizing

human willfulness also created by God offering humankind a chance for playing a creative role in shaping its own world Khayyam then continues to apply such an explanatory model in dealing with social matters having to do with foes friends and wealth leading him to advocate for the practical significance of stealing the chances offered in the here and now of today to transform self and society in favor of happier and more just outcomes Using the tropes of visiting the jug maker s shop and the cemetery he then emphasizes the need to maintain a wakeful awareness of the inevitability of one s physical death in order to use the opportunity of life to cultivate universal self awareness before it is too late that paradise and hell and judgment days are not otherworldly but realities of our here and now living He thus transcends the sentiment of a promised future hope by advising us to create a happy life in the cash of the here and now his own poetry itself being a means toward that end Part 2 must then be understood in consideration of the other two parts of his book of poetry one already shared in Book 8 addressing the questions Does Happiness Exist and the next to follow in Book 10 addressing the question Why Does or Can Happiness Exist

Men of Achievement ,1992 Creede Lydia Smith,2013-06-26 After receiving Loris message I called my parents to see if they would keep the boys while I was gone That phone call didnt go as planned Mom and Dad decided that they needed a vacation and it would be great fun to take the boys and fly with me to Colorado Mom was sure that there would be plenty of room in the jet They could all fish raft hike and have fun while Lori and I met with the local authorities and tried to help Cassie The big jet that Lori had chartered was certainly large enough to carry the five of us and my parents could rent a cabin at Steiners Ranch It might be fun for the boys Tyler and Cody have always loved going to Colorado for vacations So there we all sat on a jet heading for Creede The trip was uneventful for the most part Of course my familys interpretation of uneventful is far beyond what most normal families call uneventful An uneventful week for our family is one where only one trip to the hospital is necessary Tyler mostly read or played with his dinosaurs But we almost had a drowning tragedy when the Tyrannosaurus rex got stuck in the toilet as he was getting a drink Tyler had gone to use the bathroom and decided that the T rex was thirsty He tried to explain to me why the T rex had to drink out of the toilet instead of the sink But for some reason I just couldnt grasp the logic in it I tried but couldnt get the hard rubber T rex out of the hole So we called on the man that can fix anything especially if he has his duct tape with him Dad tried pulling on the T rex but it was stuck good and tight It appeared that one of the legs was hung on something under the lid and wouldnt budge Finally Dad wedged his hand between the toy and the side of the toilet so he could feel what it had gotten hung on That was easier said than done since the hole in the toilet was about five inches in diameter and had a hinged cover that opened and closed whenever the lever was pushed At least half of the T rex was stuck in the hole and the cover had tried to close over it I could hear muttering coming from Dad His head was turned down and away from me and Tyler was crying as loud as he could so I couldnt hear anything Dad said I asked him to repeat what he had just said I heard louder mutterings and could make out something about these damned dinosaurs It finally dawned on me that Dads arm was literally stuck He couldnt pull

it out and he couldn't push it further in. Considering where his arm was, I didn't think pushing it further in was a very good idea anyway. I didn't mention that fact to Dad though because he didn't look like he was in the mood to take any advice at the moment. In fact, in situations like this one, it was always best to call on the boss. I yelled for Mom to come and help. Now there are three adults, one child, and one toy dinosaur in this tiny airplane bathroom. It was getting pretty claustrophobic, and Dad's coloring wasn't looking very good to me. His face was dark red, and the veins on his neck and forehead were popping out. I couldn't tell if it was from bending over so long or being just plain mad. It didn't really matter; I was concerned that he might pass out. Mom wedged her way out of the bathroom and headed to the galley. She brought back some cooking spray. I gave her a quizzical look, and she shrugged her shoulders. They didn't have any oil, so she said she would use the cooking spray. She leaned over Dad and covered his arm with the cooking spray. Rubbing the oil all over his arm, she started pushing it into and pulling it out of the hole. Every once in a while, she would spray more oil on his arm. It didn't look like this was working very well to me. Mom looked up at me and said, "Lean around me and pull open the cover to the hole so I can get more oil on the lower part of your dad's arm." I looked at her like she was nuts. "You are crazy if you think I'm going to touch that thing with my hands bare or otherwise. I
