ФОРМИРОВАНИЕ ИЗБИРАТЕЛЬНОЙ СИСТЕМЫ СОВЕТСКОГО ГОСУДАРСТВА

Статья посвящена вопросам становления и развития избирательной системы в советский период. Установленная в советский период избирательная система сначала была многоступенчатой. Впоследствии получили юридическое закрепление все демократические принципы. Построенная на основе положений Советских конституций, избирательная система была бесспорным шагом вперед в сравнении с предыдущими избирательными системами дореволюционной России.

Ключевые слова: Советы, Конституция, возрастной ценз, избирательная система, избирательное право.

После февральской революции 1917 года в России быстро росла сеть Советов рабочих, солдатских, крестьянских депутатов. В мае 1917 года состоялся I съезд крестьянских Советов, а в июне — рабочих и солдатских. II съезд Советов рабочих и солдатских депутатов, открывшийся 25 октября, провозгласил переход всей власти к Советам (в декабре крестьянские Советы присоединились к рабочим и солдатским). III Всероссийский съезд Советов в январе 1918 года принял два акта, имевших конституционное значение: «Декларацию прав трудящегося и эксплуатируемого народа» и постановление «О федеральных учреждениях Российской Республики». Так было официально оформлено образование Российской Советской Федеративной Социалистической Республики — РСФСР. В июле 1918 года V съезд Советов принял Конституцию РСФСР.

Конституция РСФСР 1918 г. юридически закрепила диктатуру городского и сельского пролетариата и беднейшего крестьянства в форме Республики Советов рабочих, солдатских и крестьянских депутатов, которым принадлежит вся власть в центре и на местах. Областной, губернский, уездный, волостной съезды Советов в границах своего ведения объявлялись высшей в пределах данной территории властью, в период между съездами такой властью являлся избираемый съездом Исполнительный комитет. Согласно главе пятой раздела второго Конституции верховная власть в РСФСР принадлежала Всероссийскому съезду Советов, а в период между съездами — Всероссийскому Центральному Исполнительному Комитету Советов [1, с. 244].

Конституция РСФСР впервые в мире установила трудовой ценз. Избирательным правом наделялись только лица, относящиеся к категории трудящихся:

- все добывающие средства к жизни производительным и общественно полезным трудом: рабочие и служащие всех видов и категорий, занятые в промышленности, торговле, сельском хозяйстве и прочие;
- крестьяне и казаки-земледельцы, не пользующиеся наемным трудом с целью извлечения прибыли;
