

BRYAN PHILPOTT  
**FIGHTERS  
DEFENDING  
THE REICH**

As Allied bomber streams buffeted the industrial heart of Germany during the latter stages of the war, the Luftwaffe was forced to desperate and inventive expedients. This book is a unique pictorial record of those hectic days from the German viewpoint, and contains an unparalleled selection of rare photographs taken on the spot by German war correspondents: it covers both the aircraft and their crews and will provide an essential reference source for historians, modellers and aviation enthusiasts.
