

ZENO'S CONSCIENCE

*A Novel*

**I T A L O S V E V O**

A New Translation by William Weaver

"Svevo's masterpiece . . . [in] a fresh translation by the dean of Italian literary translators." —*Los Angeles Times*

# Zeno S Conscience

**DP Hallahan**

## **Zeno S Conscience:**

**Zeno's Conscience** Italo Svevo, 2015-03-18 Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka and now available in a supple new English translation Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind The mind in question belongs to Zeno Cosini a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist Here are Zeno's interminable attempts to quit smoking his courtship of the beautiful yet unresponsive Ada his unexpected and unexpectedly happy marriage to Ada's homely sister Augusta and his affair with a shrill-voiced aspiring singer Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate Zeno's Conscience is a miracle of psychological realism

**Zeno's Conscience** Italo Svevo, 2003-02-04 Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka and now available in a supple new English translation Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind The mind in question belongs to Zeno Cosini a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist Here are Zeno's interminable attempts to quit smoking his courtship of the beautiful yet unresponsive Ada his unexpected and unexpectedly happy marriage to Ada's homely sister Augusta and his affair with a shrill-voiced aspiring singer Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate Zeno's Conscience is a miracle of psychological realism

**Zeno's Conscience - Svevo** Italo Svevo, 2024-07-17 Zeno's Conscience is a novel presented as the fictional autobiography of Zeno Cosini an unreliable narrator who recounts his life story to his psychoanalyst The novel is structured around Zeno's attempts to quit smoking his relationships with his father and wife his business ventures and his extramarital affairs Svevo employs a stream of consciousness technique to delve into Zeno's psyche revealing his self-deceptions rationalizations and contradictions Zeno's reflections on his life are marked by irony and humor and his unreliable narration adds layers of complexity to the story One of the central themes of Zeno's Conscience is the exploration of human irrationality and self-delusion Zeno's repeated failures to quit smoking serve as a metaphor for his broader inability to control his impulses and understand his true motivations Svevo's portrayal of Zeno's inner life anticipates many of the themes and techniques later associated with psychoanalysis and modernist literature The novel also reflects Svevo's interest in the emerging field of psychoanalysis influenced by his reading of Sigmund Freud's works Svevo's depiction of Zeno's sessions with his psychoanalyst serves as a vehicle for exploring the complexities of human consciousness and the limitations of self-knowledge

**Confessions of Zeno** Italo Svevo, 1964 An elderly man undergoing psychoanalysis records his autobiography and disillusioned impressions of his analyst's methods

*Confessions of Zeno* Italo Svevo, 1930

Interstitial Writing Paolo Bartoloni, 2003 This book pushes literary theory into unexplored grounds to articulate the modern and contemporary condition of interstitiality through an innovative discussion of literary and philosophical underpinnings and interpretation of

works by Calvino Caproni Sereni and Svevo It will appeal to Italianists and anyone studying Italian literature *Stranger Than Fiction* Edwin Frank, 2024-11-19 One of the Washington Post's 50 Best Nonfiction Books of 2024 A New York Times Book Review Editors Choice A Boston Globe Best Book of 2024 Ambitious intelligent and happily unpretentious Louis Menand The New Yorker Convincing idiosyncratic and often felicitous Alexandra Jacobs The New York Times Book Review A legendary editor's reckoning with the twentieth century novel and the urgent messages it sends How can we live differently a young woman urgently demands in Virginia Woolf's novel *The Waves* It is the 1930s war and death are in the air but her question was asked again and again in the course of a century where things changed fast and changed all the time The century brought world wars revolutions automobiles movies and the internet votes for women death camps The century brought questions Novelists in the twentieth century had a question of their own how can we write a novel as startling and unforeseen as the world we live in Again and again they did transforming the novel as the century remade the world Imagine the history of the twentieth century novel recounted with the urgency and intimacy of a novel That's what Edwin Frank the legendary editor who has run the New York Review Books publishing imprint since its inception does in *Stranger Than Fiction* With penetrating insight and originality Frank introduces us to books some famous some little known from the whole course of the century and from around the world Starting with Dostoevsky's *Notes from Underground* of 1864 Frank shows how its twitchy self-undermining and never-satisfied narrator established a voice that would echo through the coming century He illuminates the political vision of H.G. Wells's science fiction Colette and Andre Gide's subversions of traditional gender roles and Gertrude Stein's untethering of the American sentence He describes the monumental ambition of books such as *Mrs Dalloway* *The Magic Mountain* and *The Man Without Qualities* to rebuild a world of human possibility upon the ruins of World War I and explores how Japan's Natsume Soseki and Nigeria's Chinua Achebe broke open European models to reflect their own distinct histories and experience Here too are Vasily Grossman Anna Banti and Elsa Morante reckoning in specific ways with the traumas of World War II while later chapters range from Marguerite Yourcenar and V.S. Naipaul to Gabriel Garcia Marquez and W.G. Sebald The story as a whole is one of fearless often reckless exploration as well as unfathomable desolation Throughout we discover the power of the novel to reinvent itself to find a way for itself to live differently *Stranger Than Fiction* offers a new vision of the history and art of the novel and of a dark and dazzling time in whose light and shadow we still stand

**The Facts on File Companion to the World Novel** Michael Sollars, Arbolina Llamas Jennings, 2008 *Crisis*, 2002 A journal of lay Catholic opinion *Reports of Cases Argued and Determined in the Supreme Court of Alabama* Alabama. Supreme Court, 1905 Italo Svevo. - New Brunswick, N. J.: Rutgers Univ. Press (1978).
